Want GOOD Binder Twine, and are willing to pay a fair price for it. Sensible farmers know GOOD twine is the cheapest; and poor twine is dear at any price. It is not what you pay, but what you get, that constitutes a bargain. "Plymouth" make and sell GOOD twine as low as GOOD twine can be sold. "Plymouth" does not make or sell POOR twine at any price.

This Trade Mark is on every Tag. See that you get it.

SALT

"A WORD TO THE WISE"

SALT may be described as a powerful chemical agent for providing and preparing soluble foods for plants from the materials present in the soil. This is a most important consideration when we remember that in all soils there are about two-thirds lying dormant and only one-third in active condition.

We sell all kinds of Salt in all kinds of packages. Barrels, bags or bulk. Unequalled shipping facilities. Higher grades of Salt for dairy uses a specialty.
