## 1892. GREGORY'S SEED CATALOGUE FOR OVER THIRTY YEARS

we have always had very pleasant dealings together, the public and myself, and I again have the pleasure of presenting to them my annual Vegetable and Flower Seed Catalogue. It contains the usual immense variety of seed, with such new kinds added as have proved to be real acquisitions. Raising many of these varieties myself, on my four seed farms, and testing others I am able to warrant their freshness and purity, under such reasonable conditions as are contained in my Catalogue. Having been their original introducer, I am headquarters for choice Cory Corn, Miller Melon, Eclipse Beet, Hubbard Squash, Eeep Head, All Seasons and Warren Cabbage, Etc., Etc. Catalogue **Free** to all.
