MORE ABOUT AH YUIE.

From Miss Snyder.

THE Home has had many experiences during the past four months, and the workers have been in the depths and on the heights accordingly. My first impression was that it was a waste of time and teachers, but the past week has been busy enough to satisfy even me, as we now have a family of six girls and hope for more.

On September 25th, O Aki, a Japanese woman, was brought here by her husband, who wished her to learn English and
