## Confirmation.

The Confirmation class for 1894 will commence on Friday, Feb. 6. All who have not hitherto sent in their names are urged to do so at once. The time of preparation in any case is short, when we consider how great and important an event it is in the individual life. It is hoped that confirmation will be held in St. James' about the beginning of July. The exact date will be announced later on.

## House-to-house Collection.

Our annual house-to-house collection for the mission and the general purpose funds of the diocese has not yet been made this year. The collection will be made as it was last year—not by collectors, but by means of envelopes forwarded to every family. The envelopes will be distributed very soon, and the offerings will be taken up on Sunday, April 22. Last year we gave \$25 to this purpose. Let us hope that we shall not be behind that sum at least this year.

## Sunday School.

The quarterly service for the children of the Sunday School was held on the afternoon of Easter Day, at 3 p. m. A very large number was present, and the service was, on the whole, very satisfactory and appropriate for the day. We are much obliged to the choir for their services on the occasion, and especially to Mr. Young, for his energy and devotion in training the children so successfully.

The annual statement shows that the funds of the school to be in a thoroughly sound condition, both the general fund and the piano fund showing a balance to the good.

Miss Alice Beatty and Mr. J. Monieath have kindly consented to act as extra teachers in the Sunday School, to supply the place of absent teachers who have not provided substitutes. We are very much obliged to them for their assistance, and heartily wish more would follow their example.
