

attain the aim in view; to recommence every month the tedious work of compiling, manuscrying, revising, etc., of the few pages of the little paper; then that of having the paper printed, folded, stitched, wrapped and addressed, besides the financial part, which is the last but not the least part of the trouble.

The weather this winter has been exceptionally mild throughout the country. At this writing the snow is all gone and spring seems likely to settle in early. The stock is in very good condition and feeding has been much lighter than usual.

Our annual trip through Nicola, Coldwater and Mamette Lake from Jan. 15th to Feb. 2nd was a pleasant one. Good sleighing was enjoyed all over, while in previous years it was impossible to go around the same circuit with either sleigh or buggy, as part of the road was deeply covered with snow or under drifts, while part was bare, making it impossible for a sleigh to pass.

The Klondike excitement, besides, makes everybody feel pretty lively all over, and everyone entertains good hope of obtaining a good price for horses, or cattle the coming season.
