

DRILLS YOU CAN DEPEND ON

WHEN the time comes for seeding, it's a great source of satisfaction to have a Drill which you know will sow your grain as it should be sown.

Massey-Harris Drills

are famous for uniformity of sowing in any desired quantity and at any depth required—the seed is not bruised or crushed and is well covered. The Massey-Harris Line of Drills is complete—many styles and sizes, but Reliability is the Keynote of all.
