NOTICE TO CONTRACTORS.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for the St. Lawrence Canals," will be received at this office until the arrival of the eastern and western mails on Wednesday, the 3rd day of December next, for the construction of a lift lock, weirs, etc., at Morrisburg, and the deepening and enlargement of the Rapide Plat Canal. The work will be divided into three sections, each about a mile in length.  
A map of the locality, together with plans and specifications of the respective works, can be seen on and after Wednesday, the 19th day of November next, at this office, and at the Resident Engineer's Office, Morrisburg, where printed forms of tender can be obtained.

In the case of firms there must be attached to the tender, the actual signatures of the full name, the nature of the occupation and residence of each member of the same, and further, an accepted cheque on a chartered bank in Canada for the sum of \$6,000, must accompany the tender for section No. 1, and an accepted cheque on a chartered bank in Canada for the sum of \$2,000 for each of the other sections.

The respective accepted cheques must be endorsed over to the Minister of Railways and Canals, and will be forfeited if the party tendering declines entering into contract for the works at the rates and on the terms stated in the offer submitted. The cheques thus sent in will be returned to the respective parties whose tenders are not accepted.  
This department does not, however, bind itself to accept the lowest or any tender.

## Miscellaneous.

"It is the safest and fairest Policy I have ever seen," was the remark made by a prominent representative of one of the largest and best American Life Insurance Companies when he had carefully examined the ordinary Life Policy of The Temperance and General Life Assurance Company.

This is the only policy offered to the Canadian public that can neither lapse nor expire, as to its paid-up value, till death ensues, after three annual premiums have been paid on it.
