To the Friends of Temperance !

At the suggestion of many temperance workers, GRIP'S
TELLING CARTOON,

"STOP THE DEATH FACTORIES!"

has been published in the form of a fly-sheet, for distribution in localities in which Temperance or Prohibition work may be carried on.

It is believed that this sheet will prove a most effective agent in the spread of the Prohibition sentiment, vividly portraying, as it does, the terrible results of the traffic in rum.

It would be distributed by means of the various temperance organizations, as well as by individual friends of the cause. To encourage this distribution, copies printed on good paper, and with suitable legends, are offered at the following low prices:

100 copies,	\$ 1.00.
500 "	3.00.
1,000 "	5.00.

Samples will be forwarded to all desiring to order.

THE HIGH SCHOOL DRAWING COURSE

BOOK 1.—PERSPECTIVE.

The other Books of the Course, on Freehand Drawing and Model and Object Drawing, will follow in a few weeks.

THE ELECTION

GRIP

This remarkable paper will contain a double page Cartoon celebrating the event, and will be issued on Wednesday morning, 23rd inst., ten hours after the returns are in. Such a feat was never hitherto attempted in illustrated journalism! While *The Globe* and other enterprising newspapers will be crowning—or mourning—over the event, and chronicling it in cold type and dry figures, *Grip* will laugh and make merry with the politicians, both "Ins" and "Outs," and will give the result in pictorial fashion, so that the reader will know at a glance just how the matter stands, without wading through columns of figures. To accomplish this marvellous feat will tax all the energies of the artists, engravers and printers; but *Grip* has a reputation for enterprise, and is determined to maintain it.

This issue will contain 24 pages—eight more than usual. The special features will be front, back and centre Cartoons in three colours. The very special features will be the centre double-page Cartoon, instinct with genius and prescience and full of life and fun.
