ST. PATRICK'S CHURCH.

We regret that the important proceedings of the Committee Meeting on Thursday, the 16th instant, were unavoidably omitted in our last number. At the present moment there can be nothing of more interest to the Catholics of Halifax. The cause in which we are engaged, pertains more or less to every member of the community: for it is the cause of God—the cause of religion—the cause of the poor, as of the rich. For all who are concerned it will be gratifying to know that the Gentlemen of the Committee are active and progressing. Too much cannot be said of their exertions hitherto, in the performance of the irksome and onerous task on which they have entered.

At the Meeting referred to, the Very Rev. T. L. Connolly in the chair, the following resolutions were adopted:

Resolved, That the tender of Mr. Michael Monaghan, to build the foundation wall at the rate of 2s. 2d. per perch, be accepted.

Resolved, That the front of the Church be built of granite.

Resolved, That the act of the Very Rev. Chairman in extending to twenty feet the wings of the contemplated addition is hereby approved.

Subscriptions and Donations received in aid of the Church at the North End.
