

THE EXHIBITION.

 THE following report presents the detail of the closing days of our tent work on the Exhibition grounds:—

Wednesday, 17th Sept.—The grounds are still crowded. Over 40,000 people again on the grounds. We held four meetings. Each time the tent was crowded, and many were the testimonies given of God's saving power, and one or two testified that last year when they visited the Exhibition they were on the Broad Road, but now, praise God, they are walking the Narrow Way.

Thursday, 18th Sept.—To-day we held three meetings, the tent being well filled each time. A large number of testimonies given. One aged brother testified that he had been sixty-one years in the Christian life, and said the way was getting brighter and brighter. Praise the Lord.

Friday, 19th Sept.—Our last day. Still a large number on the grounds. We held two meetings, the first at noon, 110 being present, and the other at 3 p.m., when we had about 70 present. There were several testimonies, and we closed our Exhibition work with the doxology.

The seed has been faithfully sown, let us now ask our good Father to water it; that it may bring forth an abundant harvest, to the glory of His name.

In the nine days we held 25 meetings, with an attendance of about 2,500, or an average of 100 each meeting.

The writing materials were also much appreciated, as also was the reading matter supplied in the tent."

We have been much encouraged this year; in fact Rev. Mr. Salmon, (who had charge of the meetings, and who has in former years faithfully stood by us, purely from love for the work and a desire to help us), states that it has been a season of greater blessing and encouragement than during any pre-

vious year. With us, he agrees that the time has come when we should have a permanent building upon the grounds, and we trust that ere another season rolls round we may be placed in possession of funds wherewith to erect such a building. It would cost but a comparatively small sum. Brethren, don't forget this call, but make it a matter for prayer and *practice*.

As we go to press we learn with deep regret that Mrs. T. J. Wilkie, wife of our late General Secretary, died suddenly at her home, Brooklyn, New York, on the 22nd inst. The many friends of Mr. Wilkie will no doubt bear him up in the arms of faith and prayer, that He who is the God of all comfort may be very near to our bereaved brother.

OUR ANNUAL MEETING.

 E urge upon our members the importance to be attached to their attendance at our Annual Business Meeting, to be held (D.V.) on Tuesday evening, 7th October.

The past year has been marked by rich blessing. Many souls have been won for the Lord Jesus, and God has also blessed us by enabling the Directors to very materially reduce the debt upon our building. Thus we have spiritual and temporal blessings to thank God for. Let us, therefore, come up to the meeting determined that it shall be a meeting for praise as well as business, and let our business praise Him from whom all blessings flow. We hope to see a large turn out of our members.

If we are to praise God in Eternity we must begin in time.

Christ Jesus, who of God is made unto us wisdom.
