In returning thanks to our many customers for their abundant patronage during the past year, we venture to hope for a continuance and even an increase of their favors during the next.

We claim for our Foundry a rank among the type manufacturing of the world, equal to that of the best. Our facilities enable us to fill orders of any extent or amount. Our workmen are skilled in their several branches; our machinery is of the latest and most improved description; our matrices are entirely new; and the type we produce is unequalled for beauty and finish, and of a QUALITY which we guarantee to be unrivalled.

We are agents for the most celebrated Power and Job Presses (English & American); for the best Ink manufacturing; and for the leading American Type Foundries.

Our usual terms have been four months; but, in order to encourage a ready cash system, we have decided to allow a discount of TEN per cent off News Type, and FIVE per cent off Job Type and Sundries, on all accounts settled monthly. We indulge in the hope that a large and constantly increasing number of Printers will be glad to avail themselves of this liberal discount. Special terms for new outfits and large orders.

Please give this publicity for the benefit of those who may thus be afflicted.—I am, Sir, yours truly, HENRY ALLFAM.—To the Proprietors of NORTON'S CAMOMILE PILLS. 13-1-41
