

MY FREE BOOK

"The 'Whys' of Exercise"

Do you exercise to get well or to keep well?

My free book—

"THE 'WHYS' OF EXERCISE,"
will tell you how to do both.

To build successfully, you must have a sound foundation. Perfect manhood, which means a fine, well-developed physique—a broad chest, a strong neck, powerful shoulders, firm body muscles, limbs of steel—increased endurance and unfaltering nerve, depends on a normal and harmonious working of your vital organs. A healthy vigorous body is the only lodging house for a keen, active brain. With health comes sureness. With sureness comes success. Learn to exercise in the right way, if you hope to achieve matchless internal and external development. My booklet "The 'Whys of Exercise' based on sane, sound scientific principles will tell you how. Send for it. It is yours for the asking.

Enclose four cents to cover postage.
