

PARAGRAPHIC.

SHE WAS SAVED

From days of agony and discomfort not by great interpositions, but by the use of the only sure-pop corn cure—Putnam's Painless Corn Extractor. Tender, painful corns are removed by its use in a few days without the slightest discomfort. Many substitutes in the market make it necessary that only "Putnam's" should be asked for and taken. Sure, safe, harmless.

George William Curtis has given the woman suffragists a point. He says: "If it be unwomanly for a woman to hold office it is unwomanly for Queen Victoria to be the Queen of England."

There is no remedy known to science that will so speedily and so effectually cure or relieve lumbago, chronic or acute rheumatism, swollen or stiff joints as *Johnson's Anodyne Liniment* used internally and externally.

'Robbie,' said the visitor kindly, 'have you any little brothers and sisters?' 'No,' replied Robbie, solemnly, 'I'm all the children we've got.'

CONSUMPTION CAN BE CURED

By proper healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healing and strength-giving virtues of these two valuable specifics in their fullest form. Dr. D. D. McDonald, Petitedias, N.B., says: "I have been prescribing Scott's Emulsion with good results. It is especially useful in persons with consumptive tendencies." Put up in 30c and \$1 size.

In answer to numerous inquiries we have to say that *Sheridan's Cavalry Condition Powders* are a pure article. We know them to be so. They are as much superior to all others as a good thing is superior to a worthless one.

A Pig's Tail is of no more use to the pig than the letter 'p' is to pneumonia.

The season for House cleaning is nigh at hand, for which purpose there is nothing so effectual and convenient as James Pyle's Pearl-line.

'Superfluous Women' is the title of a magazine article. If the writer don't find himself in the bottom of the canal in close connection with a mill-stone, it will be because he don't discover himself.

When one hears the wheeze or cough which tells of the old lion of consumption lurking around, he should fly and get Minard's Liniment and use it freely on the chest, and take Minard's Honey Balsam internally, and get out of the way of danger. These preparations are well known, having been in use for thirty years, and are acknowledged to be unsurpassed.

What Mr. Beyer says: "Please accept my

best thanks for the splendid seeds received from your firm. It would be a rather lengthy list if I should name all, but will say that among the 34 first, and 3 second premiums awarded me at our fairs in Northern Indiana and Southern Michigan, 28 first premiums were for vegetables raised from your seeds. What firm can beat August Beyer, So. Bend, Ind. Seed of this quality I am now ready to sell to every one who tills a farm or plants a garden, sending them FREE my Vegetable and Flower Seed Catalogue, for 1887. Old customers need not write for it.
