Drinking Impure Water Causes Much Disease

Often so dangerous that will deprive people of the use of limbs and reason. "The only Natural Water safe to drink is Mineral," so says Sir Henry Thompson.

Toronto citizens are at present exposed to above dangers. To offset the evil and prevent the spread of diseases, St. Leon Water, the healthiest drink in America, has been reduced by the glass at all offices.

To fight and conquer disease, St. Leon is the most powerful agent known say physicians.
