Mercantile Summary.

KENTVILLE, N.S., was full of commer-
cial men last week, no less than twenty-
eight registered at the hotels, says the
Chronicle.

THE Cape Breton Boot and Shoe Co.
have accepted a bonus of \$5,000 offered
them by the town of Pictou, and expect
to shortly remove their plant thither.

THE coopers of the Petrolea barrel
works in London, Ont., went out on
strike on Saturday on the refusal of the
company to grant a 5 per cent. increase.
For some time past the men claim to
have been working under difficulties.

THE Acadia Copper Mining Company,
whose areas are on the Amos' Blenkhorn
property at Nappan, are sinking two new
shafts, one to the East and another to
the West of the old one. Although down
only a few feet, the indications are of a
very pleasing nature, and the stockholders
have good reason to be well pleased with
this promising property.—Amherst, N.S.
Gazette.

THE subject of reciprocal trade rela-
tions with Canada was discussed on the
evening of the 15th inst., at the dinner
of the Boston Boot and Shoe Club. Hon.
John W. Chandler said that reciprocity
in the broadest manner is necessary for
the development of our seaboard cities,
and none more than Boston. Canada, in
particular, offers great attractions for
such relations. We need her coal and
lumber, and she our manufactures. Hon.
Charles S. Hamlin urged reciprocal re-
lations with all the countries possible.
New England should not spare any effort
to bring about such relations, with
Canada in particular, a country which is
one of our best customers. "Let us see
to it," he said, "that we keep up the
prestige of our port. It is the natural
outlet of the great North-West and
Canada, and with the proper facilities
should rival New York."
