

Received the Highest Awards for Purity and Excellence at Philadelphia, 1876; Canada, 1876; Australia, 1877, and Paris, 1878.

Prof. H. H. Croft, Public Analyst, Toronto, says: "I find it to be perfectly sound, containing no impurities or adulterations, and can strongly recommend it as perfectly pure and a very superior malt liquor."
John B. Edwards, Professor of Chemistry, Montreal, says: "I find them to be remarkably sound ales, brewed from pure malt and hops."

JOHN LABATT, LONDON, Ont.

AYER'S Sarsaparilla

Is a highly concentrated extract of Sarsaparilla and other blood-purifying roots, combined with Iodide of Potassium and Iron, and is the safest, most reliable, and most economical blood-purifier that can be used. It invariably expels all blood poisons from the system, enriches and renews the blood, and restores its vitalizing power. It is the best known remedy for Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Bolls, Tumors, and Eruptions of the Skin, as also for all disorders caused by a thin and impoverished, or corrupted, condition of the blood, such as Rheumatism, Neuralgia, Rheumatic Gout, General Debility, and Scrofulous Catarrh.

Inflammatory Rheumatism Cured.

"AYER'S SARSAPARILLA has cured me of the Inflammatory Rheumatism, with which I have suffered for many years."
W. H. MOORE.

BE SURE to include in your list of PERIODICALS FOR 1886 some, if not all, of the following, for they are the very best and are found in the homes of all cultured people.

Nineteenth Century.

No other journal numbers among its contributors so many brilliant thinkers and profound scholars. The most important changes in the thought of the times are submitted to searching criticism and review.

Contemporary Review.

The monthly contributions, by eminent writers, describing the contemporary life and thought of the leading nations of the world, give it a unique position among other Journals, presenting in epitome of all that best deserves attention in the world of thought and action.

Fortnightly Review.

The greatest exponent of radicalism in England. Its Editors and Contributors have ever been noted as leaders of progress, and have formed a school of advanced thinkers, which may justly be cited as the most powerful factor of reform in the British Empire and elsewhere.

British Quarterly.

While discussing all branches of modern thought, is particularly devoted to the consideration of the more recent theories in Theology and Philosophy. Its articles are characterized by a keenly critical spirit, and for fulness of treatment and justness of criticism it stands alone, in its special field, among the periodicals of the world.

Edinburgh Review.

Numbers among its contributors the greatest names that have moulded English thought for the past fifty years. While its policy admits the discussion of all questions, its conservatism is tempered with a liberalism that marks it as the INDEPENDENT REVIEW of the world.

Quarterly Review.

Its reviews cover all the leading issues of the day, and embrace the latest discoveries in Science, in History, and in Archaeology. Much space is devoted to ecclesiastical history and matters connected with the Church, thus making the Review invaluable to the clerical student, as well as of great interest to the general reader.

Westminster Review.

Is notable for the latitude of its theological views, many of the most advanced of modern theories in theology having received in its pages their first authoritative support. A distinctive feature of this Review is its "INDEPENDENT SECTION," containing articles advocating views at variance with those of its editors.

Blackwood's Magazine.

Is the leading and most popular magazine of Great Britain. The tone of its articles, be they fiction, incidents of travel, critical or political essays, is unexceptionable, rendering it most desirable for the Home Circle.

All of above are printed line for line—page for page—with English Editions, but in handier form.

Shakespeariana.

While aiming to furnish a recognized medium for the interchange of views among Shakespearian scholars, and to afford the student the fullest information relative to Shakespear's art, life and writings, SHAKESPEARIANA is especially designed to extend the influence of Shakespeare as a popular educator, and to stimulate the study of his works in our colleges and institutions of learning.
