

The Pedlar 30 - year Guarantee

Protects You Against Early Culvert Decay

You don't take the responsibility of wear or decay on your shoulders when you lay a Pedlar Culvert. The responsibility rests on us entirely. For back of every Pedlar Culvert is a definite guarantee that

it will withstand the strain of regular use for thirty years.

We make that guarantee because we know they will actually last much longer.

GAUGE

Pedlar's "Perfect" Culverts

Gauge for gauge they are the strongest culvert money can buy. The  of which they are made will not rust, rot, corrode or crack from frost. When you think of the saving also in time and labor cost, you begin to understand what definite advantage they actually are. Don't let an alluring price tempt you to choose a weak and worthless culvert. In-

sist on knowing the exact gauge of the culvert you are quoted.

Pedlar Culverts are always specified in the gauges best suited for the particular work it is desired they should perform. The gauge is labelled plainly on each culvert.

Send now for the Complete Culvert Reference Book containing valuable data and drainage tables. It's free. Write!
