The following statement was circulated on 19 October 1979 at the request of the delegations of Austria, Brazil, Canada, Colombia, European Communities, Egypt, Finland, Japan, Norway, Romania, Sweden, Switzerland and United States.

“With regard to the Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade (MTN/NTM/W/232/Rev.1), the above-noted delegations, cognizant of the commitment in Article 13 of the Agreement that special regard must be given by developed countries to the special situation of developing countries when considering the application of anti-dumping measures under this Code, agree that:

1. In developing countries, governments play a large rôle in promoting economic growth and development in accordance with their national priorities, and their economic regimes for the export sector can be different from those relating to their domestic sectors resulting *inter alia* in different cost structures. This Agreement is not intended to prevent developing countries from adopting measures in this context, including measures in the export sector, as long as they are used in a manner which is consistent with the provisions of the General Agreement on Tariffs and Trade, as applicable to these countries.

\* In the final version of the Agreement as reproduced herein, paragraph 6 has become paragraph 7.
