In such a case, the provisions of Article VII or Article XIV, as the case may be, shall apply.

5. Where a company is a resident of a Contracting State, the other Contracting State may not impose any tax on the dividends paid by the company to persons who are not residents of that other State, or subject the company to a tax on undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State. The provisions of this paragraph shall not prevent that other State from taxing dividends relating to a holding which is effectively connected with a permanent establishment or a fixed base operated in that other State by a person who is not a resident of the first-mentioned State.
