

## Engendering Peace building

*With each passing day the world is becoming more complex and interdependent. The problems we are facing cannot be resolved by the efforts of only half the population of the globe. Both men and women must work together as equal partners in order to ensure a sustainable future for the generations to come.*

Perez de Cuellar - March 8, 1990 (Cited in Vickers, 1993:150)

March 20, 1997
