

PROGRAMME OF SCIENTIFIC, ACADEMIC AND  
CULTURAL EXCHANGES AND CO-OPERATION  
BETWEEN CANADA AND THE USSR FOR 1972-73

In accordance with the Canada-USSR General Exchanges Agreement of October 20, 1971, the purpose of which is to expand exchanges between Canada and the USSR in scientific, educational, cultural and other fields, and to develop further their good relations and broader understanding between the Canadian and Soviet peoples, the undersigned representatives of Canada and the USSR agreed on the following programme of exchanges and co-operation for 1972-1973:

I EXCHANGES IN SCIENCE AND EDUCATION

(A) SCIENCE

- (1) The National Research Council of Canada and the Academy of Sciences of the USSR agreed to sign in 1972 an agreement of scientific co-operation instead of the present agreement which exists in the form of an exchange of letters.
- (2) Both parties agreed to encourage and facilitate the fulfillment of the agreement on the uses of atomic energy between Atomic Energy of Canada Limited and the State Committee on the Utilization of Atomic Energy of the USSR. Both parties expressed their satisfaction with the co-operation between these organizations.
- (3) Both parties confirmed that co-operation will be established on a regular and long-term basis in Arctic science, resources and development, in accordance with the joint memorandum agreed in Moscow on February 24, 1972.
- (4) Both parties agreed to encourage and facilitate exchanges of delegations and of information in the fields of public health, medical care delivery systems and medical sciences.
