

*The Budget—Miss Grey*

**Miss Grey:** Mr. Speaker, I believe that the people of my riding, supported by the Reform Party and its platforms and policies, feel that universality, if I could speak specifically about child care, is probably a waste of money and that these programs should be targeted to people who need them. In other words, we may be discriminating against parents who choose to raise their children at home. We believe firmly that these programs should be targeted to those who need them in terms of universality.

Regarding medicare, we feel that medicare is for the sick and not for the poor. We also feel very strongly that that should not be eroded and that that is a service that people pay for. The public would be very upset to see that eroded.

**The Acting Speaker (Mr. Paproski):** It being 5.45 o'clock p.m., it is my duty, pursuant to Standing Order 84(4), to interrupt the proceedings and put forthwith every question necessary to dispose of the amendment to the amendment now before the House. Accordingly, the question is on the amendment to the amendment standing in the name of the Hon. Member for Yorkton—Melville (Mr. Nystrom). Is it the pleasure of the House to adopt the amendment to the amendment?

**Some Hon. Members:** Agreed.

**Some Hon. Members:** No.

**The Acting Speaker (Mr. Paproski):** All those in favour of the motion will please say yea.

**Some Hon. Members:** Yea.

**The Acting Speaker (Mr. Paproski):** All those opposed to the motion will please say nay.

**Some Hon. Members:** Nay.

**The Acting Speaker (Mr. Paproski):** In my opinion, the nays have it.

*And more than five Members having risen:*

**The Acting Speaker (Mr. Paproski):** Call in the Members.

The House divided on the amendment to the amendment, which was negatived on the following division:

• (1810)

*(Division No. 8)*
