Montreal.

Dear Mr. Crone:-

I have your letter of yesterday and wish to thank you for the two copies of the Lakeshore Review.

I am enclosing herewith \$1.00, being the amount of the annual subscription and would ask you to send the magazine to the Ste. Anne de Bellevue Hospital. I am usually so busy that I seldom read a magazine of any kind.

I congratulate you upon the manner in which the Review is turned out. The workmanship is splendid and the contents interesting, but I would ask you not to print my opinion.

Yours faithfully,

Principal.
