LONG SHOT WINS DINNER STAKES

Early Rose, the Favorite, Finishes Third in Feature at Belmont Park.

BELMONT PARK, June 24.—R. T. Wilson won the Astoria Cup with Naiaid after a race that showed the horses running all over the track. Naiaid and Maier were the only two that ran a straight course. Flitaway swerved and bothered Early Rose, but they soon straightened out, and both were beaten on their merits. Anytime closed with a rush, beating Early Rose for the place by a length. The dinner that goes with this stake will be held at the Waldorf tonight.

Sandhill simply breezed to win the second race, a handicap at one mile and three furlongs. He took the lead early and was never let down. Col. Holloway chased him from the start, but never had a winning chance. Mission and Amali were never real contenders.

Strenuous was much the best in the mile race. He galloped around Captain Elliot and Beakins, the newcomers, as if they were standing still, and finally won in a gallop.

No Betting at Belmont
In the Eyes of the Law

MINEOLA, L.I., June 24.—Horse racing as recently revived at Belmont Park is free from betting in the eyes of the law, according to a decision of Judge James P. Niemann, sitting as a committing magistrate here. He threw out of court today the proceedings brought by the district attorney of Nassau County based on the allegations by private detectives that they had placed bets with bookmakers.

The court held that it was not shown that the men with whom bets were placed were bookmakers within the meaning of the law. It was plain, he said, that there was gambling.

"But," he added, "ordinary betting, if carried on and repeated from day to day, is not bookmaking. It would have to be shown that the men with whom bets were made were common gamblers. The designating of the defendants as such by the detectives is a mere conclusion."

Do not put off getting my remedy. Every day a tape worm remains in your system there is danger, as sometimes they tie in knots and cause inflammation of the bowels, besides they multiply and fill the bowels and cause alarming troubles. Just think for a moment of one or more monsters from fifteen to thirty feet in length, crawling about in you. Is it any wonder that you feel languid, weary and tired? Get my famous remedy and be relieved of this loathsome trouble. There is no fasting, no danger, it is easy to take, sure in results. I have tape worms from babies two years old, removed without causing sickness to the infant or any bad after effects.

If you are troubled with Tape Worms, now is your time to be relieved of this loathsome and disgusting creature, which is slowly but surely undermining your constitution and sapping your vitality, laying the foundation for more serious diseases, causing general debility, consumption, epilepsy, heart failure and nervous prostration, madness, and insanity. Do not delay, but call at 167 Dundas street and get Prof. Mulvey's world-famous remedy, or phone Parkdale 4830, or write for information, which is free.
