

- Spinal** cord, gunshot wounds of, 990
injuries of, laminectomy in, 987
penetrating wounds of, 990
tumours of, 993
- Spinal** theca, bleeding into, 987
tapping of, 1001
- Spine**, caries of, 992
laminectomy in, 996
fracture-dislocation of, 995
gunshot wounds of, 990
injuries of, laminectomy in, 987
partial resection of vertebrae, 987
Pott's curvature, 991
tuberculous disease of, 992
tumours of, 993
- Spinous** processes, fractures of, 989
- Splints** after osteotomy, 957
elbow, 154
- Stacke's** antrectomy, 338
guide, 341
method of operation in acute mastoid abscess, 346
- Status** lymphaticus, operations and, 5
- Stellwagen's** trephine for operations on brain, 316, 318
- Steno's** diet, restoration of, 386
- Sterilisation**, methods of, 15
of catgut, 20
of dressings and swabs, 21
of hands, 14, 16, 18
of instruments, 19
of ligatures, 19
of skin, 14, 16
of sutures and ligatures, 19
of towels and overalls, 21
- Sterno-clavicular** joint, diseases of, 243
- Sterno-mastoid**, lengthening the, 965
operation below, in partial tenectomy, 662
operation in front of, in partial tenectomy, 662
tenotomy of, 964
- Stokes's** supracondyloid amputation of knee joint, 856
- Stovaine**, Barker's solution of, 1003
- Stumps**, amputation, 47
- Sub-astragaloid** amputation, 937, 939
- Subclavian** artery, first part, ligature of, 707
second and third part, ligature of, 699
- Subperiosteal** resection, 149
early, in sequestrectomy, 911
- Subtrochanteric** osteotomy of neck of femur, 832
- Suppuration**, complicating otitis media, 332
treatment of, 26
- Supracondyloid** operation of Macewen, 955
- Supra-trochlear** nerve, 365
- Surgeon** and his assistants, preparation of, 18
- Suture** of arteries, 51
of nerves, primary and secondary, 978
of tendons, 94
- Sutures**, distance, 100
infection by, 15
premature cutting of, cause of failure of operation for cleft palate, 527
sterilisation of, 19
- Swabs**, infection by, 14
preparation of, 21
- Sweet** method of arteriorrhaphy, 52
- Sylvius**, fissure and point of, 291
- Syme's** amputation, 930, 933
causes of failure after, 934
value compared with Piragoff's amputation, 935
method of rhinoplasty, 447
operation on tongue, 540
- Symond's** frontal sinus cannula, 415
- Sympathetic** cervical resection of, foreophtalmic goitre, 667
- Sympathetic** nerve, operations on, 661
- Syndactylism**, 79
- Syndesmotomy**, 962
- Syphilis**, intracranial, 209
operations and, 5
- Tagliacotian** method of complete restoration of nose, 449
- Talipes** calcaneo valgus, severe, operations for, 972
congenital, 965
equino valgus, treatment of, 972
equino varus, severe, operation for, 967, 969
operative treatment of, 965
severe, points in treatment of, 965
valgus, mode of progression, 974
operations for, 976
- Tapping** of sac in spina bifida, 985
the pericardium, 794
the spinal theca, 1001
- Tarsal** bones, disease of, 939
- Tarsectomy**, complete, 945
- Tarso - metatarsal** joints, amputation through, 948
- Tarsus**, excision of bones and joints, 943
- Teale's** amputation of leg, 907
rectangular flaps of, 850
- Technique** of operations, 22
- Teeth**, cysts due to carious, 421
- Temperament**, operations and, 3
- Temporal** artery, ligature of, 670
- Temporal** fossa, bony floor of, 374
- Temporo-sphenoidal** hole, abscess in, operation for, 356
- Tendo** Achilles, death of, 935
division of, 963
influence of after Chopart's amputation, 947
- Tendon** grafting, 57, 101
- Tendons** about foot, tenotomy of, 961
anastomosis of, 97
by bifurcation or splitting, 97
divided, operations for union of, 93
union when impossible to adjust ends, 98
union where only one end can be found, 93
lengthening of, 164, 961, 965, 968
by osteotomy, 100
by zig-zag incisions, 100
Czerny method, 99
Hill's method, 99
in Volkmann's contraction, 135
Trunka method, 99
shortening of, 193
Ullier's method, 104
Willet's method, 103
suture of, 94
Le Dentu's method, 95
resection of bone in, 103
