

# NEW TRACK RECORD IN FAIR TROTTING

Nannie Extellion Lowers the Mark by Three-Quarters of a Second.

The third and final day of the harness racing program, the revived attraction that featured the early dates of the C. N.E., this year maintained the high standard that has characterized the sport from the hour that Starter J. J. Burns assembled the entrants for the opening event until the time was hung up for the concluding heat. It has been a persistent remark all thru the proceedings that the late meet was the most successful venture of its nature in the history of the Queen City, once the harness horse centre of the entire Dominion, and it may be said that the individual who fails to express his gratitude toward the officials of the great fair for their generosity and the encouragement afforded the breeding ranks is utterly devoid of appreciative sentiment.

With the smallest fields of the entire meet and but two events on the card, some predicted a tame program for yesterday afternoon, but the uncertainty of horse racing was exemplified in a slightly different manner when the day's racing provided two features of the meet: first, the burial of a track record when Nannie Extellion glided past the stand in 2:14 1/2 in the initial heat of the 2:12 trot, thus equalling the previous high water mark of 2:15 1/2, made by Fritz Winger in the old-fashioned steeple chase some years ago. Secondly, the closest finish of the meeting occurred yesterday in the second heat of the free-for-all Handicap, two-year-olds, six furlongs, when it required fully fifteen minutes' consultation on the part of the judges in order to determine the winner. Some were positive that Mussel Schell arrived first, while others were equally sure that the little two-minute pacer won, and as the majority were of this opinion the heat was awarded to Frank Bogash Jr.

Following his custom of previous days, Starter Burns had the 2:12 trotters on deck sharp at 2 p.m., and scoring the added entry, Letanna S., on the pole, the word was given on the fifth score. The fast mare, Nannie Extellion, literally flew around her field and had the pole when the turn was reached. Rushing by the half in 1:07 1/2, she led her field by two open lengths and by foregoing her usual custom of breaking the handsome daughter of Extellion, secured the honor of trotting the fastest race ever recorded on this famous oval. Letanna S. came with his usual rush at the end and finished a good second. Scoring the second heat with that game little stallion, Ingara, on the pole, the word was given on the first time down, but before the turn was reached the son of Ingara, once capable of administering defeat to any of his field, was bringing up the rear. Nannie broke at the turn and Mory took command, reaching the half in 1:10 and retaining her lead until near the end when the wild filly, Letanna S., rushed in, but the lead closely held by Nannie Extellion. The latter, however, was placed last for interference with Ingara on the first turn, causing her to finish behind the flag, and as Mr. Maybee, driver of the mare, acknowledged the foul in a true sportsman-like manner, Ingara was placed third and allowed to start in the final heat. The final heat was a repetition of the second, Nannie breaking powerfully in the mile when Mory again led, but this time until two lengths from the wire when she was nipped and beaten half a length by Letanna S.

While the free-for-all did not produce the speed thrill that had been anticipated ever since the announcement of the entry, this lacking feature was amply made up by the contention of the field, a feature totally unexpected as the spectators had all conceded Frank Bogash Jr. the race, before the first heat. Scoring Camella on the pole the word was given on an even break with the mare retaining her position onto the back stretch where she was caught by Bogash, who with the party well-bunched behind him was allowed to loaf to the half in 1:07 1/2. No great effort was exerted until the final drive, when Camella entered the stretch flanked on Frank Mussel Schell responded to a travelling drive from Mullin and landed the place. The last half was done in 1:04 1/2. Camella drew the lead again for the second heat and the word was given with the fast one slightly in the rear. This, however, did not mean chances as he was flanked on Camella at the half with Mussel Schell in the pocket in the creditable time of 1:08 1/2. On the back stretch Bogash paced around the mare and entered the stretch in the lead, lapped by Camella and Hal B. Jr. and then commenced what our thoroughbred contemporary Mr. Joe Deane expressed "The belated rush of Mussel Schell referred to above in the closest finish of the meet, and as a comment on the decision it might be timely to add that those standing on the ground near the judge's stand all saw Bogash first. But admittedly it was one of the tightest finishes ever seen."

Camella had to be withdrawn after this heat because of a rather severe attack of the thump, which was extremely regrettable as the mare was putting up a stubborn contest. Starter Burns once again displayed his perfect control over his fields when he got the bear-cat off on the first score for the final heat. Hal B. Jr. on the pole led past the stand and the first half in 1:05 1/2, followed by Bogash and Mullin, taking advantage of the windshift slipped behind the former. On the back stretch Bogash went around Mullin and entered the stretch first, but closely followed by Mussel Schell, who looked every part the winner until he was wild break that lost him every opportunity of heading the fleet little world's champion racing gelding.

The summary:  
Time 2:14 1/2, 2:15 1/2, 2:16 1/2.  
Free-for-all pace, purse \$500; Frank Bogash Jr., b.f., by Frank Bogash (Wade), 2:14 1/2, 1st; Mussel Schell, b.f., by Frank Bogash (Mullin), 2:15 1/2, 2nd; Hal B. Jr., b.f., by Hal B. Jr. (Cummer), 2:16 1/2, 3rd.  
Time 2:11 1/2, 2:12 1/2, 2:13 1/2.  
At 2:05 1/2 is the average record of the four horses that started in this last event, it was undoubtedly the fastest field of pacers that ever took the word on a Canadian half-mile track.

# We Are Doing What Others Cannot Do

## Keeping Down the Price of Clothes

While all others have had to raise the price, the Regent Tailors can still sell Suits and Overcoats to measure for \$21.

We can do this because of immense purchases of materials made months ago when prices were almost 75% less than to-day. We could sell this cloth to other tailoring firms at a handsome profit, but we prefer to give our customers all the benefit. For that reason you still have choice from a big range of the newest and finest materials of

# Suit or O'Coat \$21.00

## To Individual Measure

### Every Garment Guaranteed to Fit and Satisfy

### DON'T DELAY—ORDER AT ONCE

We want the public to know that this low price of \$21.00 holds good only as long as our present stock of materials lasts. We cannot guarantee it longer than that, because we ourselves will have to pay much more for our future purchases of materials. So to avoid disappointment we urge you to come at once and leave your order.  
And remember that this price of \$21.00 is really the WHOLESALE PRICE. There are no middlemen to exact big profits, and no expensive department heads to be paid. We import direct and sell direct—there is only ONE profit, and that an entirely reasonable one. You save money when you order your clothes from the Regent Tailors.

# THE REGENT TAILORS

Head Office: 86-88 Richmond St. West Branches all over Canada

Visitors to Toronto Exhibition are cordially invited to call at our new daylight tailoring shops at 86-88 Richmond Street West, where those who desire to do so can choose materials and leave order for suit or overcoat.

## COX LOOKING BACK OVER HIS SHOULDER

Behind Mignolia in Each Heat in Feature Race at Readville.

Boston, Aug. 26.—The Readville purse for 2:15 class pacers, the feature event of the opening day of the Grand Circuit meeting at the Readville track, was easily won by Mignolia, marking his eighth successive victory this year. At the end of each heat Cox was looking back at the trotting star in the distance, for the last time he was won in 2:08 1/2, 2:09 1/2 and 2:09 1/2.  
The best race of the day was the two-year-old trot, the Great, driven by Mr. Thomas, lost the opening heat thru a break at the distance flag. Mr. Dudley taking it in 2:12 1/2. Natalie won the second by a short neck from Mr. Dudley in 2:10, the fastest heat by a two-year-old trotter this year. In the final heat the Thomas entry was only a nose in front of Mr. Dudley at the finish, the time being 2:11 1/2.  
Goldie King was easily the best of the lot in the American horse breeder's futurity for three-year-old pacers, winning in 2:09 1/2 and 2:08 1/2. Millie Irwin won over the favorite, Peter Hopfield, in the 2:15 trot in 2:10 1/2, 2:12 1/2 and 2:10 1/2.  
The summary:  
American horse breeder's futurity, 3-year-old, pacing, purse \$1480: Goldie King, ch.f., by Gold Bingen (Murphy), 2:09 1/2, 1st; Natalie, f., by Home, b.f., (Geary), 2:10 1/2, 2nd; Royal Dewey, b.f., (Martin), 2:11 1/2, 3rd.

Best time 2:08 1/2.

## Ennisclair Farms' Remarkable Wins at Cobourg Horse Show

The Cobourg horse show was revived last week in all its glory. Perhaps the chief interest centre in the hunter and jumping classes, as the popularity of this type of horse is rapidly growing.  
For some years the Ennisclair Farms of Oakville have been convinced of the superiority of the Canadian-bred horse for these purposes and have done much to re-establish their breeding in Halton county, which was at one time the greatest horse-producing county in Ontario, by placing fifteen of their thoroughbred mares with responsible farmers in Tharal township. These mares, as well as a number of half-breeds and three-quarter-breeds, have been sired with their progeny is fast coming to market. Meantime, by judicious selection and careful and masterly training Mr. Hugh S. Wilson, the farms' manager, has gathered together a string of horses for which uniformity of type, conformation and substance are unique, and for their jumping ability are almost supernatural.  
Their success at Cobourg last week has amply proven the Ennisclair theory, as in classes for hunters and jumpers, shown under varying and at times very trying conditions, owing to the excessive rain, they won 75 per cent. of all ribbons offered. In the open jumping competition they won all four ribbons with clean performances; in the ordinary five-foot class they won first, second and fourth; in the Allen Cup competition over six-foot and rail fences of five feet, they again were placed first, second, third and fourth; in the class for pairs jumping abreast, while in the Cornishian class for amateurs they again won all ribbons. Their manners and ability were further demonstrated when in a class of ten riders by ladies they carried off first and second.  
A few of the outstanding ones whose success followed them through the show are: Shot, Indian Arrow, Halfway, Ridgefield, Remington, Glenorchy, Cragswool, Mewburn and Graylocks.

## AUSIES OUTCLASS AMERICAN EXPERTS

Patterson, Brookes, Lycett and Thomas Win in the Singles.

Forest Hill, N.Y., Aug. 23.—With one upset and several hard fought sensational matches the initial round of the thirty-eighth annual singles and turf tennis championships of the United States opened on the courts of the West-side Club here this afternoon. Great interest centred in the work of the visiting Australian players, and the experts from down-under justified the report which preceded them from England.  
Gerald L. Patterson defeated Fred B. Alexander of New York, who ranked third among the national tennis stars of 1918, by scores of 4-6, 6-1, 6-2, 6-2. The veteran Norman E. Brookes, holder of the present Davis Cup championship, won in straight sets from Walter Pate of New York, 6-0, 6-3, 6-1. Handicap Lycett disposed of Harold Goddard, Los Angeles, 3-6, 6-3, 4-6, 6-0, while R. V. Thomas disposed of W. J. Compston of Cedarhurst, 6-0, 6-1, 6-1.  
Alexander was the only opponent against the Antipodians of today, who was able to give the invaders from Australia a real battle. He swept into Patterson, holder of the English singles championship, in impressive fashion and for two sets appeared in the light of a winner. Patterson, however, got down to hard play at the beginning of the third set and taking his stance at the net, enashed or placed with such speed and accuracy that the New Yorker was completely rattled and as the match wore on lost both his endurance and ability to hold out with the long rallies which made the early part of the contest so spectacular.  
Another feature match on the grand stand court resulted in the defeat of S. Howard Voshell of Brooklyn by Conrad R. Doyle of Washington by scores of 4-6, 6-3, 6-2, 6-7, 6-4.  
Champions of former years, including Fred McLaughlin, Glenorchy, Cragswool, Murray, William M. Johnston, R. Norris Williams II, and the two Japanese caddies, Ichiji Kumasawa and S. Kashio, all advanced without meeting unusual opposition.  
Two of the Australian stars, Patterson and Lycett, whose names were drawn in the second sixteen, were to oppose each other tomorrow, but Lycett announced that he would default instead of trying to eliminate his countryman.
