EMPLOYEE SOLD LIQUOR BUT FIRM IS FINED \$50

Magistrate Said He Had to Con-
vict—Sewer Committee
Award Contracts.

HAMILTON, Sept. 6.—(Special).—In the police court this morning Peesles, Hobson & Co. pleaded guilty to selling liquor after hours last Saturday night and were fined \$50. George Midwinter of the Arlington Hotel pleaded guilty to obstructing License Inspector Birrell last Sunday morning when he tried to enter the hotel, and Magistrate Judge imposed the maximum fine of \$100. James P. Bethune of Ryckman's Corners was fined \$20 and bound over in the sum of \$200 to keep the peace, and Ernest Franks was fined \$5 for assaulting James Johnston. The three are milkmen and the trouble was caused by reason of the fact that Johnston sold milk below the union rates.

BOTH STYLES

We have an excellent showing of both styles of suits, single and double-breasted. We really can't say which style will have the preference this season, as both are very popular, and we have arranged our stock so that we have a swell range of both styles for your inspection, \$10 to \$25.

MADE MILE-A-MINUTE SAYS MAN WHO TIMED

Used His Watch While Coming Down on That Ill-Fated Special.

Andrew Wilson of Flesherton, one of the injured in the Caledon wreck declares that the speed of the train was such as to cause him to use his watch. He says the train ran on the following time: Flesherton to Promontory, 11 miles, in 11 minutes; Flesherton to Shelburne, 23 miles, in 24 minutes; Flesherton to Orangeville, 45 miles, in 43 minutes.

"That train was going at the rate of a mile a minute," said Mr. Wilson. "A friend came and asked me what time the train was making. I told him, and remarked that, allowing for station stops, we would easily reach Toronto in two hours. The train was going at such a rate that it nearly left the tracks a few miles above Orangeville."

Supl. Osborne of the C.P.R. visited the injured in the Western Hospital yesterday.
