mind in a sound body—to laugh at worry. VIGOR-to ward off disease-to conquer obstacles—to transmit health and strength to your posterity.

VITALITY—to resist the fearful strain

and tension of modern life—to make up for the constant drains of overwork. Dr. Ward's Blood and Nerve Pills confer all these essential qualities on the user.

The Demon Dyspepsta—In olden times it was a popular belief that demons moved invisibly through the ambient air seeking to enter into men and trouble them. At the present day the demon, dyspepsia, is at large in the same way, seeking habitation in those who by careless or unwise living invite him. And once he enters a man it is difficult to dislodge him. He that finds himself so possessed should know that a valiant friend to do battle for him with the unseen foe is Parmalee's Vegetable Pills, which are ever ready for the trial. all these essential qualities on the user.

THIS EVIDENCE IS AMPLE PROOF.

Before using Dr. Ward's Blood and Nerve Pills I felt weak, nervous and run down. I had lost weight steadily for some time; my circulation was poor; hands, feet and limbs were cold. I always felt weak and my muscles trembled. Now, after the use of one box of Dr. Ward's Pills, I feel like my old self. I have gained five pounds in weight and 100 per cent. after the use of one box of Dr. Wards Pills, I feel like my old self. I have gained five pounds in weight and 100 per cent. in cheerfulness. I now walk firmly, my muscular system is strong and my blood circulates vigorously. I have more comfort than I have experienced in years. Dr. Ward's Pills have done more for me than any medicine I ever took.

"One other subject to which I venture to direct your attention. It has well been said: 'While living in all the privileges of civil and religious liberty, we are ever in danger of becoming unwatchful. Our forefathers bled and died for the rich heritage we now enjoy; it, therefore, becometh us to not only guard well our present possession, but to enquire closely if there be not some further struggling necessary on our part to hand down to posterity these same principles which may be ATRAIN DASHES OVER A TRESTLE.

Death Ended the Power.

Judge Boyd yesterday decided that the widow of the late James Eves, who died, leaving his property to the Safvation Army, is entitled to one-third the estate. The two separated in 1868, the wife agreeing to relinquish claims to dower when called upon, but the husband never asked her to do so. The court held that the power to make the request passed out with the husband's death. The property is worth about \$10,000.

Carleton Place, Ont.

Dear Sir,—I have been a great sufferer from Pilos. The last attack was the most severe I have experienced. For ten days I could neither sit nor stand, and walking was out of the question, so great was my suffering. I could find no relief anywhere until your Pile Ointment was recommended to me. I got a box. I was relieved by the first application. In two days I was able to resume work and felt perfectly cured within a week. I volunteer this testimonial. I desire that people who suffer as I have done may know where to get such prompt relief as I found in the use of Orien's Pile Ointment.
