NEW YORK PAINLESS DENTISTS

Young Lady Disappeared Mysteriously From the Steamer Modjeska on Thursday.

Hamilton, Aug. 4.—(Special.)—There is considerable anxiety here regarding the fate of Miss Ethelwyn Briggs, daughter of Mr. Samuel Briggs of the Hart Emery Wheel Company. She disappeared from the steamer Modjeska on its noon trip to Toronto yesterday. Her mother and sister were on the boat with her, and when it arrived she could not be found. The theory is that she was taken with an attack of dizziness and fell over the railing, as nothing has been heard of her since. Miss Briggs has been in poor health for two or three years, having suffered from sunstroke. Mr. Briggs returned from Toronto this evening, having failed to get any trace of his daughter, who was a great favorite in Hamilton society.
