Meeting Saturday Night Results in No Decision on Trouble,

The teamsters held a long and stormy The teamsters held a long and stormy meeting in O'Neil's Hall Saturday night, and when 12 o'clock came the meeting broke up in disorder, the men having come to no definite decision. When asked by the press what was done, Secretary Hughes said: "We have made no decision. We will not strike on Monday, and nothing will be done until we meet again on Friday night"

Friday night." "Have you heard anything from the dus fairly and we'll give them the news when we have made a decision Friday night."

bosses?" "No, we have not."

Position of Employers,

The employers have, all along, main-tained that they will not accede to the demands of the men. The men have asked for \$45 a month and overtime. This is an increase or \$6 a month over the oid rate. The employers have agreed to give \$42 a month, without overtime, and that rate is now in force. What the Other Side Says.

what the other side says. A representative of one of the transport companies escorted a wold re-porter around the freight yard and the stables on Saturday afternoon to off-set the reports of a freight congestion, and incidentally to show that the teamsters have not extraordinarily long hours. The freight sheds did not show any great activity, and three seemed to be lots of space to let every-where. The tracks, too; were not
