SIX WEEKS' REST FOR LES NOT POPULAR WITH FIGHT FANS

Darcy Shows Little Respect for American Pugs—May Change His Mind, Though.

NEW YORK, Feb. 11.—Les Darcy, the Australian wonder, is now training for his bout with Al McCoy, New York fans have yet to see Darcy with gloves on his hands. His real form will be more or less of a secret until he steps into the ring at the Garden.

As long as Darcy was in Australia, little was known of him as to his remarkable ability, but now that he has been here over six weeks without losing anything very startling, his reputation has become used to his presence and the tendency to take for granted that he is a second Ezzie Fitzsimmons is not as marked as it was. Darcy and his manager, who have formed their opinion as to the value of the easy victories Darcy scored over the American fighters he encountered, Darcy naturally does not stop to think that the only reason McCoy, Claborn, Chip and the others went to Australia was because they were back numbers here.

It is a new experience to hear a foreign boxer speak patently of his own talent, for Americans are used to getting the piece and to hold all foreign fighters rather cheaply. The records show that a great majority of the foreign importations completely failed to live up to the ratings they enjoyed in their own countries, and it has come to be the rule to knock off at least 30 per cent, because of the difference in standards. The reason why Darcy's record is not so much to be taken for granted is because he had defeated McGorty, Chip and the rest of them, because it was a foreigner that did it.

The three men Darcy will be asked to fight are all well known in the ring. Jack Dillon, one of the best of the Australian fighters, but Darcy and his manager are supremely confident that he will have no more trouble than he had with the others. They are confident that Darcy will be able to pick up the pieces. "Mike King can tell you of a man who tries to hit him with a straight left," said King. "When Darcy fought me for the title, he warned me not to mix it with him. He experts all I could do, and he did it very well for the 21 or three rounds. Then I tried another blood from his nose. I moved his head to one side and drove a right to his body that broke two of my ribs. That's what will happen to anyone who tries to hit him with a straight left."

When Darcy does get around to Gibbons the former wants it to be a twenty-round fight. He is a few rounds off in his remarkable endurance and ability to maintain a killing pace without trying to wear down his man when he cannot catch him in a few rounds. Darcy and his manager are aware that it will be hard to score decisively over such a ring master as Gibbons in ten rounds, and he would prefer to accept less money and have the fight decided over the long distance. He probably will be induced to change his mind when the big offers come in. Besides, Gibbons is not likely to consent to a trial of endurance, knowing that Darcy would have all the advantage in a long fight.

LOCAL HOCKEY TEAMS PLAY HAMILTON AND KITCHENER THIS WEEK

118th Hook Up With Tigers Here Tomorrow Night.

KITCHENER KIDS FAST

Local Juniors Play the Union Jacks at Home Wednesday—Practice Tonight.

Both London hockey teams are entering upon a strenuous week of hockey. The 118th Battalion, seven, London's hopes in the Intermediate O.H.A., hook up with the fast aggregation from Hamilton at the London curling rink tomorrow night, and promises to be a regular hockey match, while the London A.A.A. kids meet the "Kitchener Juniors" in a crucial series.

The hockey team from that place has gained fame in times gone by with its champion Tiger rugby team, but its alleged baseball club, and is coming here confident of beating up the 118th about as badly as did the aforementioned Tigers the old London rugby club.

However, if confidence will win the Tigers will go home without a win in their tally, according to Manager Solke of the London crew.

"Hamilton may be strong, but I have an idea that we are just a trifle stronger, and although we expect two hard games, yet we are quite sure that we can take them out of the running," said Solke last night.

OUR SPLENDID VIKOL

Quickly Stopped Mr. Clark's Hang-On Cough.

We have seen right here in London such wonderful results from the use of VIKOL in such cases, that we agree to return the money to anyone who tries it and does not get the same result. Mr. Clark did. He says:

"I used VIKOL for a chronic cough and hard cold which it seemed impossible to get rid of. At nights I would cough violently, so I couldn't sleep. I learned about VIKOL through a friend who had used it at the house where I am living, and the result of its use in my case was that the hard cold was soon well and the chronic cough disappeared in very short order. Dr. J. Clark, 9 Pearl Street, Amsterdam, N. Y. It's the best and most reliable remedy for chronic coughs, colds and bronchitis. Try it on our guarantee."

STAR TIGER DEFENCE MAN WILL NOT PLAY IN LONDON

HAMILTON, Feb. 11.—Harold Parker, Hamilton hockey club's sterling defence player, will not be able to play in the H. C. O. London third round game this week.

Parker, who is a second division player in the Hamilton team, has been injured in a game with the London team last Wednesday night. He is expected to be out of the game for a week or ten days. Two front teeth were knocked out and his upper lip torn in a collision with Fraser, the husky Niagara Falls defence player. The London manager could hardly open his mouth and he could not touch his mouth without causing considerable pain. The injury has also prevented Parker from eating.

WELCOME FALLING OFF IN ATHLETIC CASUALTY LIST

London, Feb. 10.—The latest casualty list issued shows a welcome falling off in the names of prominent British sportsmen killed and wounded in action on the Somme.

Harold A. Sloan, killed in action, was one of the best of Irish sportsmen, and captain of the famous Dublin Bohemians, of the Irish League. He represented his country in the international games, three times against England, twice against Scotland, and three times against Wales.

Capt. Mervyn Higgins, a famous Oxford cricketer, who obtained his "blue" and roved in the winning Oxford crew in the Varsity boat race of 1910, has been killed in action. He also stroked the Oxford crew.

Major J. B. Boyle, killed, was a Richmond and Epsom football player, and a member of the Royal Ashdown Forest and St. George's Hill clubs, and won many prizes at clubs and open meetings.

CHAMPION ATHLETES RECEIVE PROMOTIONS

London, Feb. 10.—New York Herald cable.—The military promotions announced include stars in every branch of sport.

The following have been promoted to the rank of major: Capt. J. C. Parker, a famous lawn tennis player and Irish international rugby star, who won the Irish singles championship eight times and the doubles on five occasions, represented Ireland in the Davis Cup, and played for his country in twenty international rugby games, capturing the fifteen on three occasions, and is a scratch golfer.

Capt. W. E. Mann, English international rugby player; Capt. Lord Somers, who won the cricket for Oxford and who won the army cricket championship in 1908; Capt. C. C. Lester, polo player; Capt. E. L. M. Crossman, a steeplechase rider; and Capt. D. A. Richardson, polo player.

Three well-known football players, Lieut. R. D. Gordon, Lieut. C. R. M. Hutchinson and Lieut. E. G. Lueyans, who played for the Royal Military Academy, appeared several times with the London Scottish, and received his training at Bedford School.

WILLARD'S AND FULTON'S MANAGERS TO MEET

Chicago, Feb. 10.—Representatives of Jess Willard, champion heavyweight, and Fred Fulton, expect to meet here today to discuss articles of agreement for a ten-round fight. It is said that the articles have been drawn up and that if an agreement is reached, the fight will take place in New York City late in March or early in April.

SMITH GOES TO TORONTO

PITTSBURGH, Feb. 10.—President Bruce Dwyer of the National League club announced tonight the release under the optional rule of Inverness, Scotland, to the Toronto club of the International League.

AUSTRALIAN AND ITALIAN WIN CHICAGO BIKE GRIND

CHICAGO, Feb. 10.—Reggie McNamara of Australia and Francis Covelotti of Italy, the favorites, won the six-day bicycle race, which ended at 10:30 o'clock last night. The race covered 2,412 miles. The record for the time is 2,770 miles and eight laps. Seven teams finished the race. Jacob Magin, Frank Corry of Australia, were second; Madden and Drobach, third; Cameron and Harry Kaiser, fourth; Ryan and Lloyd Thomas, fifth; Mitten and White, sixth; and Kovsky and Sullivan, seventh. All the riders finished substantially abreast as a result of the last sprint.

STOCK OF FRED FULTON IS ASCENDING RAPIDLY

NEW YORK, Feb. 11.—The stock of Fred Fulton on the fast bourse is becoming by leaps and bounds. The "Rochester giant" is training for an expected bout with Willard, at the rate of Grant Hugh Brown, and is in perfect condition.

It is Fulton's ambition to become the Mike Gibbons of the heavyweights. To accomplish this he realizes he will have to develop speed and skill. He believes his speed will enable him to defeat Willard. When seen at Brooklyn yesterday, he said: "I've striven for the last few months to develop speed and to improve my boxing. I think I will need both in my forthcoming battles. A fast and clever heavyweight who works along the lines of Mike Gibbons should be able to win the championship and hold it for some time to come. And that is my aim."

"Right now," he declared, "I am fit to meet Willard. I wish I were to box him tomorrow."

Thistles and Londons to Send Rinks to Big Spiel.

GALT RINKS HERE TODAY

Five Detroit Rinks Expected Thursday—London Bonspiel Tonight.

Although the members of the London and Thistle curling clubs will have most of their time taken up in the patriotic campaign this week, a number of games will be pulled off by the stone-trundlers.

This afternoon Jack McKay's London rink will defend the Victor trophy, won at the St. Marys bonspiel. Dr. Burnett's Galt rink is confident that they can take the cup home, but Jack and his rink will have something to say in the matter.

The usual London Club bonspiel will be held tonight, while six rinks from Galt will play at the Thistles at the same time. Tuesday morning the Galt rink will play at the London rink, while the Thistles will hold their weekly "spiel" tomorrow night.

The Thistles will in all probability have three rinks play the London rink. The Thistles will play the London rink at the Thistles in the morning. The Thistles will play the London rink at the Thistles in the morning.
