

D'ANNUNZIO TROOPS CLASH WITH SERBS

Attempt of Fiumans to Fortify Place Interfered With by Rifle Fire.

Rome, Nov. 8.—Just as the negotiations between Italy and Jugoslavia are about to begin, trouble has occurred between the insurgent troops under Gabriele d'Annunzio, in command at Fiume, and the Serbs. On Thursday d'Annunzio sent Captain Piffer, his first aide, from Trent with sailors and Alpine troops to occupy St. Mark's Strait, at the entrance of Morlacca Strait, to prevent the Serbs from the opposite shore on Bucari promontory from interfering with navigation.

On Friday the Serbs, realizing that the Fiumans had occupied and were fortifying the place, opened fire on them, according to a despatch to the Idea Nazionale, as well as on the small steamer which d'Annunzio had put at the disposal of his men.

Captain Piffer sent a few Alpine soldiers across the strait and the Serbian contingent fled. Three of them were captured. In an interview where they declared they had been ordered to fire upon St. Mark's to prevent the work of fortification.

HAS CROSSED PASSAGE FROM WAR TO PEACE

Paris, Nov. 8.—France has shown the same ardor in her work of reconstruction as she did in the war, and has successfully crossed the passage from war to peace, which is always difficult for victors, says Premier Leygues in an interview printed today in the Petit Parisien. Discussing his foreign policy, the premier declared the government will seek to maintain and strengthen its alliances and will examine in utmost singleness of spirit all questions arising between France and Germany.

Belief is expressed by M. Leygues that the League of Nations must become a great force and a strong barrier against a return of imperialism and militarism. He declares the government's program is to so encourage the execution of the Versailles treaty that national reconstruction and the organization of work and production may be advanced.

On the previous day, Mr. Meighen will speak in Toronto. If the Aylmer meeting is arranged, the prime minister's speech would form a wind-up to the government campaign in East Elgin, in which county Aylmer is situated.

BOSTON POLICEMAN TO FREE WITH GUN

Boston, Mass., Nov. 8.—Complaints that Patrolman Alpheus Mascroft stood eight men against a wall at revolver point in the south Boston district yesterday without cause and kept back a crowd of their friends by threats to shoot were followed today by announcements from Superintendent of Police Crowley that the officer had been suspended and from Patrolman Mascroft that he had resigned. Those who complained of Mascroft's actions also said that he had caused a mild reign of terror on his beat yesterday by chasing children with his revolver in hand, and in one case grasping a girl who had got in his way.

GERMAN SAVANTS REPLY TO OXFORD

Ready to Forget Everything Offensive Written or Spoken on Both Sides.

Berlin, Nov. 8.—German university professors and members of the Reichstag have drawn up a reply to the appeal for re-establishment of the "friendly intercourse" which existed before the war, which has been issued by the University of Oxford. The German reply, which is signed by 100 professors and members of the Reichstag, is a direct and pointed answer to the Oxford appeal.

"Science knows only one aim—the search after truth—and it requests for the performance of this the common labor of all, regardless of national boundaries," says the German reply. "The war interrupted this joint labor and dissolved many personal ties. We are ready to resume these connections and by common labor to obliterate everything offensive spoken or written in both camps."

Those remaining will be concentrated in a permanent cemetery near London, which will be under the perpetual care and control of the United States government.

RAVAGES OF COMMON COLDS ARE APPALLING

Is Most Prevalent of All Diseases and Causes More Death, Suffering and Decreased Efficiency Than All Wars and Epidemics.

COLDS ARE CURABLE AND PREVENTABLE

Instead of Being Treated as Trivial Affections, Colds Must Be Recognized as a Serious Menace to Health.

"The common 'cold' is the most prevalent of all present day diseases and although vital statistics do not record the sum total of its ravages leading authorities now state that the common every-day 'cold' is responsible for more deaths, suffering, inconvenience, loss from work and decreased efficiency than all wars and other epidemics.

The word 'cold' means an acute infection of the lining membranes of the nose, throat, tonsils and larger bronchial tubes. The 'cold' may be even more extensive and amount to a general infection of the entire body. All of the breathing apparatus, excepting the smaller portion of the lungs, may become involved and as a matter of fact the disease may, and

often does, spread to these, thus producing pneumonia.

Vital statistics show that pneumonia kills more people than any other disease, excepting Tuberculosis and Heart Disease. Many cases of pneumonia begin as common colds, which have been neglected.

Persons of hereditary tubercular tendency should guard against colds and should take proper measures to stop their progress with the first symptoms. It is evident, therefore, that instead of being a trivial affection, the 'common cold' must be classed as a serious menace to public health.

Aspirin, the new scientific cold remedy which has been accomplishing such remarkable results, probably provides the safest, surest and quickest, as well as the most practical, treatment for colds yet discovered.

This new remedy, according to the statements of the thousands who have used it, is almost magical in its effect. The first dose usually stops the tendency to sneezing and coughing and relieves the feeling of discomfort, and the second and third dose usually suffices to stop the progress of a fresh cold altogether. Only one bottle is generally sufficient to break up the most obstinate cold, no matter of how long standing.

The great superiority of Aspirin over the ordinary treatment heretofore prescribed is due to the fact that it is a combination treatment and acts as an antipyretic, expectorant, laxative and antiseptic, thereby removing the cause, while many other remedies relieve the symptoms only momentarily.

All druggists have been instructed to refund money in every case where it fails to give satisfactory results after three doses have been taken.

BRAZIL FIRMS PROTEST LARGE SEIZURE AT FIUME

Rio Janeiro, Nov. 8.—Eight important firms of this city have protested to the foreign minister against the recent seizure at Fiume by Captain Gabriele d'Annunzio of the steamer Corne, which carried a cargo consigned to Brazil. The government is asked to make representations at Rome and to secure indemnity for the goods seized when the ship was taken over by the d'Annunzio forces.

THROWS ASIDE THEORY OF LABORER'S MURDER

St. Catharines, Ont., Nov. 8.—Crown Attorney Brennan this morning stated that nothing had yet developed to substantiate the theory that John Taylor, Orangeman, labor man and returned soldier, had been murdered and his body placed on the tracks of Cemetery street car line late Thursday night, before being run over and mutilated by a late car. The crown attorney believes that Taylor fell on the track and stunned himself or fell in a faint.

20 NEW YORK FIREMEN NARROWLY ESCAPE DEATH

New York, Nov. 8.—Twenty firemen narrowly escaped death and three others were seriously injured fighting a fire here today, when the heavy double doors of a large sawdust vault gave way, deluging the sidewalk with an avalanche of the flaming material. But for an order from Deputy Fire Chief George Hayes, which cleared the threatened area a few moments before, all would probably have been burned.

CORK HUNGER STRIKERS IN PRECARIOUS CASE

Cork Nov. 8.—Reports from the Cork jail today described the condition of the nine remaining Irish hunger strikers there as precarious. Although this was the nineteenth day of their strike, the emaciated prisoners were declared to be still determined to refuse food, as they have done since August 11.

There were originally eleven of the Cork hunger strikers, but one of them, Michael Fitzgerald, died Oct. 17, and another, Joseph Murphy, on Oct. 25, within a few hours of the death of Lord Mayor MacSwiney of Cork in Brixton prison, on the seventy-third day of his hunger strike.

Port Arthur, Ont., Nov. 8.—For refusing to tell where he got the liquor, Jerry Callaghan was sentenced to three months in jail. "Do you know you are liable to go to jail for three months?" asked the magistrate.

PROCLAMATION ARMISTICE DAY THURS., NOV. 11th 1920

THOS. L. CHURCH, ESQ., MAYOR OF THE CITY OF TORONTO.

Whereas, His Majesty the King has asked that an opportunity be provided for the people of every part of the British Empire on the second anniversary of the armistice, which stayed the world-wide carnage of the four preceding years and marked the victory of right, justice and freedom, to perpetuate the memory of that great deliverance and of those who laid down their lives to achieve it.

His Majesty, therefore, requests that there may be on Armistice Day, for the brief space of two minutes, a complete suspension of all normal activities, so that in perfect stillness the prayers and thoughts of everyone may be concentrated on reverent remembrance of the glorious dead and of the victory by God's grace, vouchsafed to the Empire and its devoted Allies.

I, therefore, in compliance with the wishes of His Majesty the King, do request that, at the hour of 11 o'clock a.m., on Thursday, the 11th instant, all business and domestic activities of every description should cease for a period of two minutes.

I beg also to request that commemorative services be held in schools and colleges of the city.

A patriotic ceremony will take place in front of the main entrance of the City Hall, at noon, on which occasion all citizens are invited to be present.

It is further specially desired that flags be flown throughout the city in honor of the Day.

In witness whereof I have hereunto set my hand and caused this proclamation to be made public.

T. L. CHURCH, Mayor.
Mayor's Office, Toronto, November 8th, 1920.
