ST. PETERS GIVE ANOTHER VICTORY TO FREDERICTON

Visitors' Bunching of Hits and Locals' Errors Contribute to 10-1 Contest.

Fredericton, playing like real champions, administered a 10 to 1 defeat over St. Peter's in the Two-I League last evening at St. Peter's Park last evening. The Green and White boys were away off color and put up one of the poorest exhibitions of the season, making no less than eight errors and failing to cut down balls that went for hits. With two men down in the first inning McCarthy attempted to knock down a drive on the third-base line, which took a bad bounce and it got away from him. This error was excusable, but it was disastrous for the home team, for before the third man could be retired six runs had crossed the plate. A similar occurrence took place in the third inning, when more errors were responsible for the visitors netting four more runs. Stafford started for St. Peter's and might have come across if the home-up had not occurred in the first inning. He was replaced by Price. Before any runs were scored off him in the third three men should have been out. Both teams had six hits, but Clancy, for Fredericton, kept the St. Peter's' safety well scattered and was given errorless support, while the visitors bunched their hits and, coupled with errors, romped home with an easy victory. The box score and summary follow:
