St. Stephen Ready to Enter a Series for Championship.
A letter was received yesterday from W. H. Grant, manager of the St. Stephen baseball team, in which he claims that practically all his players are local boys and that the majority of them are employed in that city. He admitted that this did not apply to the battery but said that it applied to most of the others. He expressed himself as strongly in favor of the championship series between the St. Stephen, Fredericton, Moncton and St. Peter's teams. He declared that his team would be able to make the necessary arrangements to play in such a series.

The second game for the amateur championship of the city will be played on the Queen square diamond this evening at 7.15 o'clock between Commercial and St. George's. The latter team lost the first argument by one run and believe they can even the series this evening. A close contest is expected.
St. John Team Loses.
The St. John All Star baseball team lost two games to the Wanderers at Halifax on Saturday, 9 to 8 and 9 to 3. Regular Game Tonight.
St. Peter's and St. John will meet in a regular league game tonight, which it is expected will be keenly contested.
St. Stephen Leads.

New Courts.
The official opening of the Fair Vale Outing Club tennis courts was held on Saturday afternoon. The club house was gaily decorated for the occasion and there was an exceptionally large attendance at the opening. For some time the members have felt the need of the facilities for tennis and they believe that their efforts in providing them will be well compensated. Supper was served in the club house, W. H. White, the president, was in the chair. After supper he made a brief address and then the gathering adjourned to the courts where he served the first ball over the nets and E. A. Ellis, treasurer of the club, made the return, and the new tennis courts were declared officially opened.
