Halifax, N. S., June 9.—The steamer "Harlot" has struck an iceberg in latitude 1 north, longitude 46-30 west, and had her bow stove in, according to a message received by L. J. M. Gauvreau of the Canadian Naval Service here this morning. The steamer "Columbia" is proceeding to her assistance.

The "Harlot," of 3,669 tons, left Philadelphia for London and Hamburg on May 28. She was built in 1919 and is owned by the U. S. Shipping Board. The "Harlot," of 3,669 tons, left Philadelphia for London and Hamburg on May 28. She was built in 1919 and is owned by the U. S. Shipping Board.

FOLLY AND FEAR PRIME FACTORS IN THE UNREST

Montreal, June 9.—That folly and fear were the two prime factors in the present day unrest, was declared by Rev. George Adam, chairman of the Congressional Union, in his annual charge last night. The folly referred to the craze for luxury which was flaunted in the face of unemployment and trade depression, the fear had reference to the uncertainty in men's minds as to employment ceasing. He said that if the unrest that springs from folly is menacing to all that is stable, the menace that springs from fear is even more immediate.

J. E. ARMSTRONG,

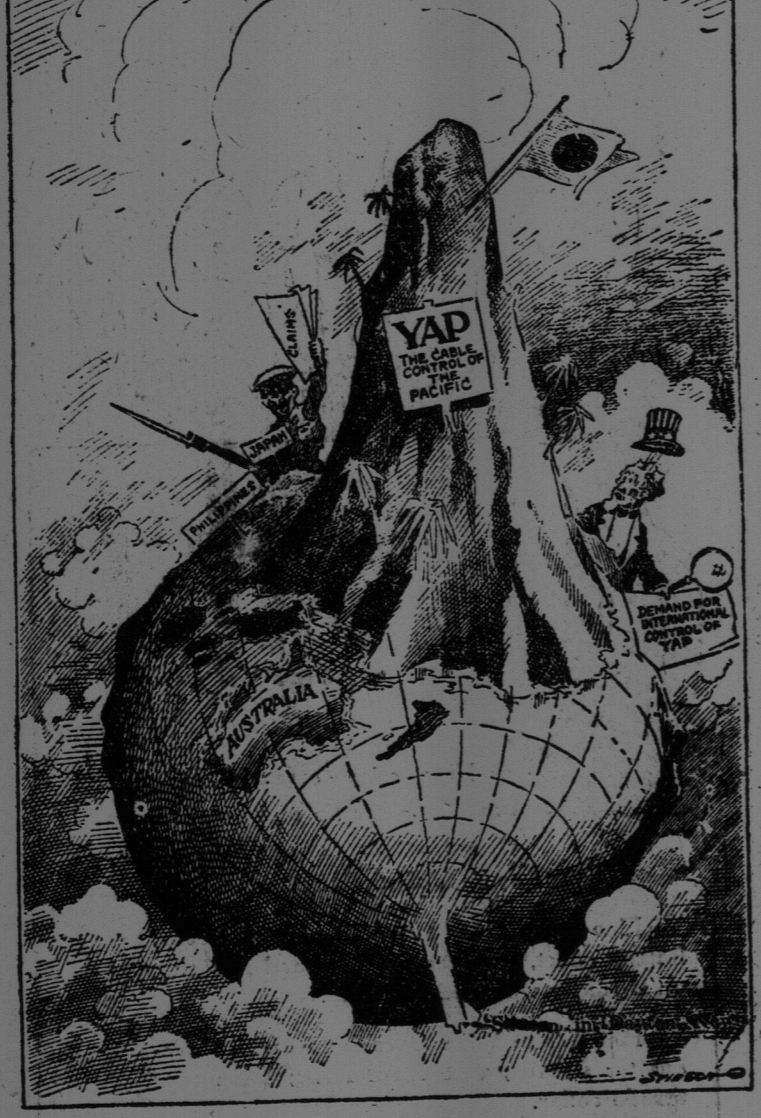

Ex-President Taft. However, More Cheerful About Other Matters.

Montreal, June 9.—An interesting glimpse of some world problems was presented last night by Hon. Wm. H. Taft, ex-president of the U. S., in addressing the American Women's Club at the Ritz-Carlton here. On business conditions Mr. Taft was not an optimist and he foresaw no immediate improvement in the United States or in Canada.

Dempsey to Wear Headgear When Boxing Resumed—Game Today to Decide the Leadership in the American League Race.

Manassett, N. Y., June 9.—Folks hereabouts who would like to view Carpentier going through his paces during his secret training sessions have expressed the opinion that the challenger is fooling the public. They believe he has more up his sleeve than he is willing to let the world in general know about, and that his somewhat listless attitude when boxing for newspapermen is but a ruse to conceal his real power.

There is no doubt that the prize fighter has a race track full of speed, for he occasionally seems to forget himself when the newspapermen are watching him, and displays a few of the traits that have made him famous.

Jersey City, N. J., June 9.—Johnny Buff, U. S. flyweight boxing champion, and Harry Mansell of England are to be opponents in a 12-round no decision bout here tonight.

Atlantic City, June 9.—Jack Dempsey will wear headgear when boxing is resumed, to lessen the danger of reopening the wound over the champion's left eye. He will resume boxing on Saturday provided the wound continues to heal rapidly. Dempsey is concentrating on the development of his famous left shift. He stands before a heavy punching bag, first shifting for a right hook and then landing a left.

Baseball. New York, June 9.—A runless pitcher's battle was engaged yesterday after the first inning of the St. Louis-Brooklyn game between Petricca, of the Cardinals and Pfeffer of the Superbas. St. Louis scored four runs in the opening session and the National champions led.

Pittsburg pounded its way ahead in the National League, while New York rested because of rain. The Pirates hit four Boston pitchers safely twenty-five times.

First place in the American League pennant race depends upon the outcome of the Cleveland-New York contest here today. The world's champion led the Yankees by half a game.

Saskatoon, Sask., June 9.—The Scottish international defeated the representative Saskatoon eleven last night, 6 to 0. It could hardly be called a match, but for an exhibition of scientific football, it was well worth watching. The visitors led Saskatoon down lightly.

Explains Heavy Batting. New York, June 9.—Ineffective pitching, due to the elimination of freak deliveries, is responsible for the rattle of extra base hits off the fence of major league baseball parks, according to Manager Speaker of the Indians. "The enemy to which pitchers resorted for many years kept down the batting," Speaker asserted. "Now they are illegal and spit ball pitching has been virtually done away with. The heavy batting of this season is only a natural consequence."

Jockey Badly Hurt. Montreal, June 9.—Falling from his mount, Phil T., in a steeplechase race at Blue Bonnets race track here yesterday, Jockey Willie Borgan failed to clear his feet from the stirrups and was dragged some distance, kicked in the groin, and his head struck against the ground so violently that he lost consciousness. He has severe internal injuries and a hernia. Today he was reported as doing well, though his condition is serious.

Borgan had a bad fall in Maryland last year and was several weeks in the hospital.

Simcoe Races. Simcoe, Ont., June 9.—In harness races here yesterday, the feature event, the 2180 pace, was captured by Royal Dundas, owned by McLean, of Gooderich, which passed under the wire fifth in the first heat, but captured the rest by a time 2:13 1/2 in the third heat.

The 2300 pace and 235 trot were won by Toronto horses, the first in straight heats by Tony The Hero, best time being 2:15 1/2, and the trot by The Baronet, which won the second and third heats, and took second place in the first and fourth, best time 2:17 1/2, by Hattie Lippin, a Toronto horse in the first. Lullia, owned by D'Armore of Montreal, won the fourth heat in the trot.

In the 2300 pace, Captain Rex, owned by Foster, Ottawa, ran fourth, third and third in the three heats.
