**Health and Beauty Hints**  
BY MRS. MAE MARTYN

**VERA B.:** Your skin will grow soft, clear and smooth after a few applications of a plain almond jelly-cream, made at home as follows: Put 4 tablespoonfuls glycerine into ½ pint water and dissolve 1 ounce salicylic acid (which you can buy at your druggist's) in a thick coat of this to the skin before retiring, then wash off in the morning and use more of the jelly-cream for massage. This gradually dispels the wrinkles and lines and banishes pimples, blackheads and "muddy," oily look. The almond jelly-cream is greasy and will not grow hair.

**MRS. A. T.:** You may not require glasses. Get from your druggist 1 ounce crystals and dissolve in 1 pint water. Then put a few drops in the offending eye several times a day until inflammation and soreness have vanished. This crystals eye-cream is especially good for granulated eyelids and using it strengthens the eyes and gives them a youthful sparkle.

**ADELINE:** The reason for that dryness of hair after your shampoo is because that kind of soap irritates the scalp's tissues and makes them over-sensitive. Canthrox will correct this, for it is a tonic as well as cleanser and is so stimulating to the blood-vessels and scalp-tissues that the danger is entirely eliminated. To prepare your shampoo, dissolve a teaspoonful of canthrox in a cup of hot water, then pour it slowly on the head as you rub briskly. This dissolves every trace of dirt, dandruff and excess oil, and after rinsing, the hair will dry quickly and evenly.

**LUCY G.:** Loss of weight is a serious matter and calls for prompt action. Get from your druggist 1 ounce karmine and put it, together with ½ cupful of

sugar into ½ pint alcohol, then add hot water to make a full quart. Take a tablespoonful before each meal. This simple home remedy increases your appetite and gently cleanses the system of impurities, restores a healthy condition to the vital organs. When this is done your weight will be normal and the glow of health will be upon your cheeks.

**MRS. A.R.J.:** I make a good lotion that is very helpful to my skin by dissolving 4 ounces spirum in ½ pint water with hazel or hot water, to which I added 2 teaspoonfuls glycerine, which will soon correct that oily, sallow, "worn-out" appearance of your complexion. This simple lotion is soothing and healing and imparts a velvet smoothness and natural loveliness to the complexion not possible with powder and rouge. You will like the spirum lotion because it is easily applied and cannot be detected when on.

**LUCILLE:** I always use a plain quinzoin hair tonic, made at home by pouring 1 ounce quinzoin into ½ pint alcohol, then adding ½ pint water. Rub a little well into the scalp twice a week and you will soon rid the scalp of dandruff and restore the hair roots to health. The regular use of the quinzoin tonic will restore the former gloss and even color to the hair and make it soft, long and fluffy.

**MRS. M.N.T.:** Your excess weight can be easily and quickly reduced by taking this purgative treatment, made at home, as follows: Put 4 ounces paronitis (which you can get at your drug store) in 1½ pints hot water and strain when cool. Take a table-spoonful before meals until weight is where you want it. No harm results from the use of the paronitis treatment, and the flesh is left solid and the skin soft and smooth.

**EVANGELISTIC**  
Instead of holding their regular mid-week prayer service, the members of the Charlotte street Baptist Church, West Side, headed by their pastor, Rev. A. J. Archibald, attended the revival service in Queen's Rink last evening. After prayer had been offered by Rev. Mr. Archibald, Doctor Burrows preached from the text "I'll be kind." Luke xv, 4, the parable of the lost sheep. Mr. Van Horne sang "Jesus is Tenderly Pleading." Several accepted the evangelist's invitation to the better life as found in Christ. Doctor Burrows spoke in the Union Theatre at noon and in the rink this afternoon.

**MORE HEAT TO THE TON WITH CLEAN COAL**

This Kind Means Economy in Either Stove or Furnace and Now is the Time To Buy.

It is in the fire that a coal shows its true quality. Poor coal is usually full of ash and clinker, hard to keep going and contains much less heat than the clean, clinkerless coal. The Consumers Coal Co. are selling special free burning American Hard Coal, which you might say is absolutely clinkerless and very little of it finds its way to the ash barrel. This is because the coal is high grade and carefully selected in the first place, and is re-screened in their yards before delivery. Just now they are quoting very low prices on both Scotch and American anthracite for summer delivery. Their address is 381 Charlotte street, Phone 2870. If you anticipate stocking your winter's fuel through the summer, you should have a look at this coal and get prices on it. It is a wonderfully saving fuel and to get full advantage of the summer price, you should book your order now.

**You can make your skin what you would love to have it**

Your skin like the rest of your body is continually changing. Every day, in washing, you rub off dead skin. As this old skin dies, new forms.

This is your opportunity—make this new skin what you would love to have it by using the following treatment regularly.

**Make this treatment a daily habit**

Just before retiring, rub in gently a warm water-lather of Woodbury's Facial Soap—until the skin is softened, the pores opened and the face feels fresh and clear. Rinse in cooler water, then apply cold water—the colder the better—for a full minute. Whenever possible, rub your face for a few minutes with a piece of ice. Always dry the skin thoroughly.

Use this treatment persistently for ten days and your skin will show a marked improvement. Use Woodbury's regularly thereafter, and before long your skin will take on that greater loveliness which the steady use of Woodbury's always brings.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

Do this today—now! Tear out the illustration of the cake below and put it in your purse as a reminder to get Woodbury's and try this treatment. Tear out the cake now. Take it to your druggist today. Begin tonight to get the benefits of this facial soap. For sale by Canadian druggists from coast to coast, including Newfoundland.
