

Hall Company (Limited), who are now erecting thereon the St. George's Hall. It is anticipated that the Society will be able to remove into its quarters therein prior to the 1st of June next, when its time will terminate in its present residence ; after which it will be free of rent.

The Society will then, it is believed, hold a higher and more permanent and substantial position than it has ever occupied, at the same time one that has been for many years looked forward to, and which by patient perseverance has at last been brought within its reach.

J. E. PELL,
Secretary.
