Amatite Roofing!

You'll Never Need a Paint Brush.

When you lay Amatite on the roof you're through with it. You don't have to paint it every year to keep it from leaking. It has a real mineral surface which does not need painting. Most of the old-fashioned, 'smooth surfaced' or Rubber Roofing, which requires painting, costs more than Amatite and you have all the extra cost of paint. It looks easy now to give your roof an occasional coating in the future. But do you realize that in 1913 you must paint it, and in 1915 you must paint it, and in 1917 you must paint it, and in 1919—that far away year—you must still be painting that confounded old Rubber Roof. Why, a new Amatite Roof will cost less than the paint alone. Send to us for free samples and booklet explaining all about it. Ask your dealer for Amatite Roofing.

Reform or Redemption

In a recent discussion on "The Church and Commercial Life" the following utterances were made which have a wide application:—
"It is possible that the Churches have been dissipating their energies over many problems when they would have been wiser to confine themselves to what was, after all, the main business of the Church—the evangelization of the world and the upbuilding of Christian character. The supreme purpose of our Lord's Incarnation was not the re-organization of human society. Jesus Christ was neither a reformer nor an agitator; His supreme object was to bring men into a right relationship with God. Therefore, though there were many wrongs in His day that needed righting, He did not come with any plan of social reform. His gospel was one, not of social uplift, but of spiritual redemption. The Church to be successful, must follow in the footsteps of our Lord. Her first and chief concern must be with the souls of men. This is not because Christ had no sympathy with the suffering of men; but because there can be no true and lasting uplift of social conditions of any people without, first, the redemption of their souls. Being recreated in Him, we may go into all departments of national life, and purify every relationship."
This is a refreshing instance on fundamental realities. The Church will never do God's will unless it keeps to the front the purpose for which Christ sent His people into the world. Failure will be inevitable and disastrous unless we put and keep first things first.—The Canadian Churchman.

A Timely Sermon

On the Present European Situation

Reading from Rev. 7, 1-3, Elder Hubby began his sermon Sunday night by saying that a definite work was outlined in these verses immediately preceding the close of probation by which the people of God would be sealed for the Kingdom. This seal or sign of God's elect people being explained in Ezekiel 20, 20. In order thus to gather out those whose hearts are perfect toward Him, God sends a three-fold message contained in Rev. 14, 6-12, which, according to verse 6 is the everlasting gospel. This gospel must go to every nation and kindred, said the speaker, and then the end would come according to Matt. 24, 14. "Hence in these last days," said he, "we are to see a message of reform going to every nation under Heaven and calling all to obedience to every precept of Jehovah."

This work, which began somewhat in obscurity according to the symbol of the Angel arising from the East, would continue with increasing brightness and power to the close of probation, during which time four angels would be commissioned to hold in check the winds of strife. Dating back to the revolution of 1848, when so many European thrones toppled into the dust, nothing but political interest has existed since. New and unlooked for complications have arisen with occasional outbreaks of fury whilst a thousand voices have been raised that the great crisis had come for universal war. But the conflict has been given to the world in the form of a great struggle for the souls of men.

Lead and have wired the Deputy Minister as follows:—With further reference Brandram-Henderson, Limited, quotation just called my attention thirty thousand pounds Pure White Lead required by the Naval Service at Halifax fifteen thousand pounds Esquimaux have pleasure in cancelling same and in offering material as a gift to the country and empire in this time of need."

Continuing Elder Hubby said that there is one question of consuming interest, the solution of which reveals by what manner the way will be prepared for Armageddon. That question is "The Eastern Question," which was defined as being the driving of the Turk into Asia followed by his ultimate end and a great scramble for his territory. There are two prophecies which reveal the inevitable end of the Turkish Empire, viz: Dan. 11, 45-12, 1 and Rev. 16, 12-16. Since the fall of the Turkish Empire it has been known as the "Sick Man of Europe," and but for the help of the larger nations would have fallen a victim to Russia's designs long since. The speaker said that due to the strategic value of Constantinople and the nations have endeavored to see Turkey molested, yet despite their fears since after slice have been taken until but a fragment remains to her in Europe, even at this date Greece being on the verge of combat with her.

Just what the outcome of this war would be Mr. Hubby did not attempt to say, only that it would mark another step toward the expulsion of the Turk. If the gospel work has been almost completed this step will be made quickly, but if not then there may yet intervene a short time before the expulsion of Turkey. But in a short while at most the world must witness the Sultan's move into Asia, after which he must come to his end and none shall help him.

According to Rev. 16, 12-16, the complete drying up of the Turkish Empire would not come until under the sixth plague, or about one year after probation closes, as these plagues are to occupy a year prior to Christ's appearing, Rev. 18, 1; Isa. 34, 8, and fall before mercy ceases, inasmuch as they are unmix with mercy, Rev. 14, 9, 10; 15, 1. Hence, seeing how rapidly the nations are moving toward the last bloody field where they will all be engaged in the valley of Megiddo, near Jerusalem, and realizing that the day of the Lord marked by the close of probation and falling of the seven last plagues is to come one year in advance, it will be seen how timely is the counsel given by St. Paul in 1 Thess. 5, which declares that that day will come as a thief in the night. This, Mr. Hubby emphasized, would not be true of the righteous, inasmuch as their minds would be illuminated with the prophecies, thus discerning the approaching of that event. On the whole it could not but be called a logical and loud discourse on the present European drama.

Orangemen Carry Green Flag

Feature of Derry Day Procession in London, Ont.

London, Ont., Aug. 12.—Pledges of unwavering loyalty to the British throne in the present European crisis and of the readiness of Orangemen to go to the front to assist Britain in, as Mayor Hooker of Toronto, put it, her "battle against despotism for the rights of mankind," characterized the speeches to-day in connection with the celebration of the relief of Derry, an innovation in Orange circles in Ontario which was participated in by over 2,000 members of the Black Knights of Ireland, from all parts of Western Ontario, including 300 from Toronto. A feature of the occasion was the carrying at the head of the immense parade of the green flag of Ireland, signifying a United Ireland in the present crisis.

MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound and is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound have accumulated are constantly being received, proving the reliability of this grand old remedy.
