

Consumption.

THE COUGH AND LUNG REMEDY, for every family
to keep at hand—

ALLENS' LUNG BALSAM.

It sells everywhere and gives satisfaction. Read
the following :

Port Burwell, Ont., March 23rd, 1869.

GENTS,—I am pleased to notify you of the benefit which
I have received from your ALLENS' LUNG BALSAM. Having
been troubled with an occasional cough, at times very severe
during years past, I have found your BALSAM to relieve my
cough more readily than anything I ever tried. My wife has
also used it with most satisfactory results.

Yours truly,

CAPT. D. FOSTER.

DR. NATHANIEL HARRIS, of Middlebury, Vermont, writes to
the "Register" of that place, Nov. 20, 1866, that for two years
he had been troubled with Bronchitis, so affecting the organs
of speech that for six weeks he could not speak aloud, coughing
incessantly, with cold night-sweats, and, in fact, fast going into
Consumption. He says two bottles of the BALSAM has entirely
cured him. His bowels were constipated, the BALSAM regu-
lated them. He truly says that no family should be without
this valuable medicine.

Dr. A. L. SCOVILL,

Who has for many years been known to the public throughout
the United States as the inventor of remedies for the Lungs,
recommends ALLEN'S LUNG BALSAM as surpassing anything
that has ever been offered to the public for the cure of Lung
Diseases. He has used it in his own family with great success,
in the case of his sister, who was supposed to be in the last
stages of Consumption. This lady is now well, and has been
PERMANENTLY CURED by its use.
