—Dr. Baron Botsford, M. D., died very suddenly at his home in St. John last Tuesday morning, aged 76 years. For nearly half a century Dr. Botsford has been one of the leading citizens of St. John, and has always been foremost in good works.

—Mr. Israel Hemson, of Central Okeana, killed 38 ducks at one shot, on the lake at Chebogue Point, on Friday evening last.

—The slopes of some of the provincial collieries are assuming great length. The Trades Journal says: The main slope of the Drummond colliery is over 3,300 feet long, that of the Acadia over 3,100 feet, and of the "Vale" 2,900 feet. The "Sydney" slope at Spring Hill is down 2,000 feet. It is proposed to add 1,000 feet, which will make it 3,000 feet in length.

—A dispatch has been received at Ottawa announcing that the election of Guillemin, M. P. for Joliette, was annulled by Judge Taschereau for corrupt practices by agents.

—The Rev. Mr. French, of Montreal, has been chosen for Knox church, Winnipeg, at a salary of \$3,500. The Rev. Mr. Pughlin, who has been far-well sermon on Sunday. His successor has not yet been named.

—There has been a drop in wheat all over Manitoba, owing to the decline in the eastern markets.

—Joe Fahy, the popular Canadian Pacific conductor, is mentioned as a probable candidate for North Winnipeg at the next general election.

—The weather is very mild throughout Manitoba and territories. A Medicine Hat farmer comes and ploughing Monday. A chicken has been killed in the mountains west of Portage, which has displaced large quantities of snow, burying several cottages and of course stopping traffic. One man was dug out alive but severely bruised and injured. At least six others were extricated for their safety.

—Last week some American fishing schooners put into Halifax for repairs. They had fresh halibut on board and applied for leave to sell it, which was first refused, as it was a violation of the treaty. The oil of cod was received in instructions to allow the fish to be sold if they could not be prevented from spoiling.

—The Gloucester schooner Arthur D. Story put to sea yesterday and was ordered to tow the raft to Eastport, Me., in the first place, but disobeyed this order and put to sea. He also alleges that she did not have the hawsers specified in the contract and was insufficiently equipped in other respects.

—As noticed in our last, Messrs. J. A. Walker & Son, marble dealers, have arrived with a quantity of stock to commence the business in our midst. We hope the citizens of Spring Hill and surrounding sections, especially the readers of the News will duly recognize the importance, as they come with an experience of 25 years in business, Spring Hill News. The patronage of the readers of the MESSENGER AND VISITOR in Spring Hill and surrounding sections is specially requested. Works in the Spring Hill News building, Victoria street.

—The rumor of a circulation throughout Quebec that a decision was come to by the Ottawa government, Friday, in favor of Quebec as the terminus of the ocean mail service.

**BRITISH AND FOREIGN.**  
—It is stated that in Rio Janeiro the punishment for drunkenness is a tin mask placed over the face and fastened behind with a lock.

—Prof. Virchow has examined a fragment taken from the centre of the trouble in the crown prince's throat, and declares it shows no evidence of cancer.

—The tenancy on the estate of the Countess of Kingston have expressed themselves satisfied with the terms offered by the landlord, who agrees to allow 20 per cent. reduction in rents, to pay all costs and reimburse the tenants who have been evicted.

—A sharp shock of earthquake has been felt in Scotland. It caused no damage.

—A monument is about to be erected to the memory of the late Earl in the Grand Court of the Kremlin at Moscow, which is to cost \$650,000.

—The enormous amount of 6½ tons of diamonds is said to have been extracted from four South African mines during the last few years. They were valued at \$200,000,000. The other great diamond field of the world, India, is also a British possession.

—Five fashionably dressed men were arrested in Marylebone court charged with attempting to obtain £30,000 from the Bank of England on forged or stolen bonds of the Hamilton and Northwestern railroad of Canada. There is one other man in the gang whom the police failed to secure; they also failed to capture the bonds. One of the prisoners had posed as Lord Fairfax, and had lived in style at the Grand Hotel in Paris.

—An earthquake was felt with severity in Scotland at places on the line stretching from Fort William in the west to Nairn in the east. The shock was also felt in other parts of the highlands.

—The British army now consists of 211,000 officers and men. There were 3,500 men added to it last year. The army guards somewhat more than 2,000,000 of square miles of territory. Neither Australia nor the Dominion of Canada is taken into this calculation.

—Princess Louise and Lord Louis are staying in Naples, where they live in a simple, unostentatious fashion, flying at the public table and other nice pleasures.

rigid economy. The princess and her husband travelled incognito, and on their arrival at Naples walked to the hotel. The manager, however, recognized the princess and offered her a suite of apartments on the first floor, reserved for nobles. These were declined, as was a suggestion that the illustrious guests should eat in private.

—The high court of Cassation (appeal) in Paris pronounced judgment that, in spite of the precedents established within its own precincts, the marriage of a Roman Catholic priest is a perfectly lawful one, maintaining the judgment of the Amiens court of appeal.

**UNITED STATES.**  
—The depth of snow in the mountains of Colorado is illustrated curiously by stumps of trees. Instead of being cut close to the ground the stumps are from six to ten feet high, since the trees are cut when the snow is upon the ground.

—Sir Morell Mackenzie, the distinguished physician who is treating the throat of the crown prince of Germany, has received an offer of \$50,000 to come to America to see a patient in Michigan.

—Lewiston bankers have declined to receive Canadian money, following the example of their Bangor brethren.

—The Canadian citizens in Brunswick, Me., are at work trying to start a shoe factory on the co-operative system. They have held several meetings and talked the movement up, and have the required amount, \$7,000, has been subscribed. They will have a meeting this week and decide. The prospect is that it will be successful.

—It is now claimed that the victims of the blizzards in the United States number fully 1,000 persons. Dakota and Minnesota are safe places to stay away from.

—James Gordon Bennett's income from the Herald is still a princely one, amounting to half a million dollars a year. The Mammoth, with steam up, always awaits the pleasure of her owner in some sunny Mediterranean bay. He conducts his paper entirely by cable.

—The New York Tribune publishes a carefully prepared estimate of the probable population of the United States at the present time, and puts it at 62,523,597 persons. This figure is arrived at by allowing a ratio of births and deaths which past experience has revealed, and adding the excess of births and deaths by immigration during each year to the population given by a census of 1880, which was 50,156,768.

—Only 12 Indians are left of the tribe of 1,000 who inhabited the Yosemite Valley a few years ago.

—The Rev. Dr. Ostrander has been chosen as Dr. Talmage's assistant in managing the Brooklyn Tabernacle.

### THE REASONS WHY

# SCOTT'S EMULSION

## OF PURE COD LIVER OIL,

## WITH HYPOPHOSPHITES OF LIME AND SODA.

HAS BEEN UNIVERSALLY ACCEPTED BY THE MEDICAL PROFESSION AND UNANIMOUSLY PROCLAIMED AS THE PREPARATION MOST

RATIONAL, PERFECT AND EFFICACIOUS,

THAT UP TO THIS DAY HAS BEEN PRESENTED FOR THE CURE OF

## INCIPIENT CONSUMPTION, CHRONIC COUGHS, BRONCHITIS,

## Colds, Affection of the Chest, Throat and Lungs,

**BECAUSE** Its scientifically proportioned composition is not a secret and is based on scrupulously pure materials.

**BECAUSE** Its appearance and pleasant taste (sweet as milk) facilitates its administration to the most delicate stomachs.

**BECAUSE** Being, so to say, mechanically digested, those stomachs refractory to oily or greasy substances support and assimilate it.

**BECAUSE** By the association of Hypophosphites, Pure Cod Liver Oil and Chemically Pure Glycerine, scientifically proportioned, its

**POWERFUL, STRENGTHENING AND FLESH GIVING PROPERTIES,**

**MANIFEST THEMSELVES IN AN ADMIRABLE AND RAPID WAY IN CASES OF**

## Rickets, Marasmus, Scrofula, Wasting Diseases of Children, Anaemia, Emaciation,

**GENERAL DEBILITY, RHEUMATISM AND SKIN DISEASES,**

**BECAUSE** By virtue of the immense advantages it offers over the best plain Cod Liver Oil or other similar preparations, as demonstrated by the experiments made in Hospitals and Foundling Asylums, and confirmed by thousands of Physicians, it is with the use of SCOTT'S EMULSION that the most beneficial results are obtained in proportion to THREE TIMES LARGER THAN WITH THE PLAIN COD LIVER OIL.

**BECAUSE** Being perfectly digested and assimilated, the patient can continue its use during the Summer without any inconvenience.

**BECAUSE** Its use does not offer any of the great inconveniences and gastrical disturbances, intestinal irritation, and the repulsive taste, peculiar to the plain Cod Liver Oil.

**SOLD BY ALL DRUGGISTS IN TWO SIZES. 50 CENTS and \$1.00.**
