PRESBYTERIAN

Rev. Malcolm Macgillivray, D. D., moderator of the General Assembly of the Presbyterian church in Canada, has issued a letter to the church recommending "that throughout our church we devote the first Sunday in the New Year to the service of intercession in behalf of the supreme national and Christian interests involved in the terrible war forced upon us and our allies."

Two New Ministers in St. John.

This week has seen the official beginning of two new pastorate in Presbyterian churches in St. John. On Tuesday evening Rev. F. S. Dowling was inducted to the pastoral charge of St. Andrew's church and begins his ministry under most favorable auspices in this historic church. The call to which he responded was hearty and unanimous, his own personal qualifications and experience give promise of an effective ministry. On Thursday evening Mr. John Hardwick was ordained to the office of the Christian ministry in St. Matthew's church and appointed to that congregation during the leave of absence of the pastor, Rev. J. J. McCaskill, chaplain to the 73rd Highlanders. He enters upon his term of service with the hearty support of the people to whom he will minister. Both these new recruits to the ministerial ranks of the St. John churches will find a heartsome welcome from their brethren and from the community in general.

Good Fortune to Pine Hill.

By the will of the late Hon. Joseph Matheson, of L'Ardeuse, Cape Breton, the handsome sum of \$15,000 has been left to the Halifax Presbyterian College to form part of the endowment fund of that institution. No College of our church has a longer or worthier record, and none is rendering better service to the church than "Pine Hill" as it is popularly designated.

Tablet to Dr. Chiquity.

On Sunday evening, December 3, in St. John's French Presbyterian church, Montreal, a bronze tablet, set in marble, was dedicated to the memory of the late Rev. Charles Chiquity, D. D., bearing the inscription: "To the highest glory of God and to the memory of Charles Chiquity, 1829-1886. A testimony of affection from some of his friends, 1915. He being dead, yet speaketh." The service was conducted by the pastor of the church, Rev. H. Jollat, while addresses were delivered by Rev. Dr. C. C. Amaral, of Quebec; J. P. Bruneau, of Cornwall, Ont.; Dr. Robt. Johnston, of Montreal; Principal Brandt, of Pointe-aux-Trembles; Dr. Ami, of Ottawa, and Mr. George R. Lightall, who had generously presented the tablet. Making History in the West.

St. Andrew's church, Nanaimo, B. C., celebrated its fiftieth anniversary on the last Sabbath of November.

A Sad Farewell.

Mrs. W. J. Jamieson, widow of the late Dr. Jamieson of the Canadian Mission, Trinidad, left on her return to Canada, December 2, by the S.S. Maraval. It was the return trip of the steamer by which Dr. Jamieson's sad she had arrived at Trinidad but two weeks before, after spending a short furlough in Canada. But in that two weeks there came the sudden and tragic death of her husband from an accident while he was trying out a new motor cycle which he had bought for the more economical prosecution of the work in connection with the mission of which he had charge. Not only her own immediate friends but the whole church will deeply sympathize with Mrs. Jamieson in her sorrowful home-coming, for all are losers by his untimely death.

The Church and Recruiting in Australia.

The following paragraph from the Melbourne Argus will be of interest to readers, not only of this column, to which it does not particularly belong, but of the newspaper columns generally: "It is a most extraordinary fact that a far larger proportion of the youth of the non-church-going class, in the Commonwealth there are, about 200,000 unmarried men between the ages of nineteen and twenty-seven. Of these something over a third have enlisted. But inside the churches the proportion of

WILL WE EVER WALK ON AIR?

Train of Thought Inspired by a Letter About "Fruit-tives"

MR. D. McLEAN.

Orillia, Ont., Nov. 28th, 1914. "For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. I tried several medicines, but got no results and my Headaches became more severe. One day I saw your sign which read 'Fruit-tives' make you feel like walking on air. This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now feel fine. Now I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I cannot say too much for 'Fruit-tives,' and recommend this pleasant fruit medicine to all my friends." enlistment runs from two-thirds to three-fourths, or even more. The extraordinary law seems to be discerned that it is the church-going folk rather than the non-church-goers who are enlisting for active service. If this interpretation be true, it reveals a very striking movement. It means that the call of the war has come home to the hearts of men chiefly through the voice of religion. The Church consciousness which is the nucleus of the Christian consciousness of the nation, is thus awakening to definite Christian

METHODIST

The Editor of the Christian Guardian says: "It is certainly somewhat to the credit of our much-maligned human nature that the great majority of us give a hundred thoughts to what we shall get at Christmas time, to one that we shall get, of course there cannot be given without receivers, but many of us at Christmas time, at least, have a fairly apostolic conception as to which is the very best end of the exchange. Of all years this year should see a revival of the Christmas spirit, a time in which it would be very easy for us all to understand the 'more blessed.' So many are giving heroically and speedily and without reserve, that selfish thinking or planning or withholding should easily appeal to us as a sordid and stultic thing. If the Christ spirit of giving does not come to us this year, surely there is small chance that it ever will; if in this day and time we can be selfish and grasping, and forgetful of the needs and wishes of others, is there any chance that we can ever be unselfish and kindly and considerate?"

Record for Ferry.

The "Maggie Miller," on the Kennecott route to and from Millidgeville and Baywater, made her last trip for the season yesterday afternoon. The boat will be brought to Indiantown to be laid up for the winter. The fact that it was possible to navigate on this route at this time of the year constitutes a record.

SELECT MEDICINE CAREFULLY

Purgatives are dangerous. They grip, cause burning pains and make the congested condition worse. Physicians say the most ideal laxative is Dr. Hamilton's Pills of Mandrake and Butternut; they are exceedingly mild, composed only of health-giving vegetable extracts. Dr. Hamilton's Pills restore activity to the bowels, strengthen the stomach, and purify the blood. For constipation, sick headache, biliousness and disordered digestion no medicine on earth makes such remarkable cures as Dr. Hamilton's Pills. Try a 25c. box yourself.
