Firm Cables Tended
Towards Healthy
Feeling In Wheat

Market Displayed Steady Un-
dertone With Few Price
Changes—Light Offerings.

Winnipeg, June 10.—While both
cash and futures markets continued
quiet this morning, the market dis-
played a very steady undertone. Firm
cables tended towards a healthy feel-
ing and there was little change in
prices from Friday's close. Offerings
were small today while the demand
was of an indifferent character.

New York reported this morning
that 240,000 bushels of new crop win-
ter wheat and 160,000 bushels of Man-
itoba's had been bought back from for-
eign holders at two cents under U.S.
States parity.

After opening 1-2 to 1-4 higher, July
held within narrow ranges, closing at
\$1.36 5-8, unchanged from yesterday.
October, opening 1-4 cent lower, closed
unchanged at \$1.15 1-4, while De-
cember lost 3-8 cent at \$1.15 1-2. Fu-
ture coarse grains were quiet and fea-
tureless.

In the cash market only a small
trade was worked, the offerings being
light and buying power limited. Some
buying was reported by exporters
while the domestic millers were in the
market in small volume. Premiums
were unchanged on all grades except
Number 4, which was ranging 1-4 cent
better.

There was no change in the pre-
miums of the coarse grains and trade
was dull and featureless.
Inspection yesterday totaled 224
cars of which 148 wheat.
