# POOR DOCUMENT

THE SEMI-WEEKLY TELEGRAPH, ST. JOHN, N. B. SEPTEMBER 20, 1902.

Sussex, Sopt. 16—(Special)—The industry and application of the troops in Camp Sussex is no avise lessened by the departure of the general. Promptly at 8.45 this morning the infantry was called out for company drill, and at 11 o'clock each brigade was exercised in battalion drill for the first time since coming into camp.

In the afternoon the infantry engaged in battalion drill and target practice, working faithfully till 5.30. The programme laid down by the Earl of Dundonald is being strictly carried out. The district surgeon general, J. L. Neilson, of the army medical staff, completed the inspection of the camp today and is said to have found everything satisfactory, and as to the sanitary conditions first-class.

The surgeon general has been in the ser-

The sargeon general has been in the service 32 years. He commenced his military career at the time of the Red River rebellion. He was in Egypt in 1882, and since that time has seen much service. He wears four medals and decorations.

He wears four medals and decorations.

The board of officers appointed to examine the tents and fittings consisting of Col. Sheridan, 73rd Battalion, president; Major McRolbie, 8th Hussans, and Captain Perkins, 67th Infantry, have condemned many of the old tents, but have not yet completed their report.

Brigadier General H. H. McLean and Colonel A. J. Armstrong accompanied the deputty minister of militia to St. John to

believed, would do much towards reviving the very completed their report.

Brigadier General H. H. McLean and Colonel A. J. Armstrung accompanied the deputy minister of militia to St. John to imspect the rifle range today. In the absence of Brigadier McLean, Col. J. R. Armstrung commanded the 12th brigade. The new drill book, issued by authority of Lord Roberts, is being used and is stiffied with great inferest, contaming as it does all the improvements in drilling taction suggested by the war in South African Sir Charles Parsons entertained a select prompany at damer tonight at the Depot House. Besides his own party there were presented from the summer there are to find the summer there are southed by the state of the summer there are southed by the state of the summer there are southed by the St. John spent Sunday here, the guest of Mr. and Mrs. W. D. Forster.

Since Sent B. (Special) The Lindsay competition between mounted teams of four men from each of the four squadrons of the 8th Hussass, took place this afternoon on the Fainweather rifle range, under toompand of Lieut. Colonel Campbell, Major McRobbie acting as judge at the firing points, and Surgeon Lieut. Colonel Manch as starter and time keeper. It was a really interesting spectacle. The troppy in this contest is a handsome silver punch bowl, contributed by the Hon. C. A. Duffntest is a handsome silver punch tributed by the Hon. C. A. Duff-ent-general of New Brunswick in

The teams entered were: "A" squadren, Major Risck; "B", squadren, Major Keinnear; "C" squadren, Major Markham. The best time was made by "B" squadren teams whose time was eight minutes and the squadren team, whose time was eight minutes and two seconds.

The members of "D" squadron presented free Markham a very handsome and silly wrist waton this evening Great entitle statement the cocasion and seches were made by Major Markham, entenant Seely and Lieutenant Camp

tries were thrown out to screen and occupy all the prominent points where they would observe the approach of an enemy. Eight groups of pickets were stationed so as to pover two miles in the rear of the camp and occupy strategical points. The supports, under command of Colonel Hartley, of the 67th, were stationed 800 yards in the rear of the pickets. The reserves were stationed 1,600 yards in the rear of the pickets. The reserves were stationed 1,600 yards in the rear of the pickets. The reserves were stationed 1,600 yards in the rear of the support, ander command of Colonel Stew and his family.

The first the first color and the support, and were finally successful in the resure. He is a station of the pickets are allowed by the successful in the same allowed by the successful in the same allowed by the successful in the same allowed by the same allowed

Generale Sir-Charles Parsons will then

Generals Sir Charles Parsons will then outline another attack on the camp, probably from the south or southeast.

A board of officers, composed of Major Weddenburn, President Major McRobbie and Licutenant Fairweather met this afternoon to enamine candidates for certificates in riding. Twelve officers presented themselves for examination, and from the horsemanship displayed all stand a good chance to pass. A board of officers has been appointed to inquire further into the injuries sustained by three men, now in hospital.

General Sir Charles Parsons and staff

fare comprised all the delicacies of the feeson, and reflected great credit upon Serveant Tanner and Mrs. Morrison. The band of the R. C. R., under the leadership of Sergeant D. Little, rendered an exceldent programme on the lawn of the staff imess, which was enjoyed by all who had the good fortune to be present.

### ST. ANDREWS.

St. Andrews, Sept. 18—Though the tour-ist season is practically ended, a few sum-mer visitors still remain. Sir William Van Horne's family will probably stay until October is well advanced, likewise the Maxwells and Hopes, from Montreal. A.

# HIS NAVAL DUTIES.

### Government Decides to Call Off the Pole-finding Business-The

Windward's Voyage. Washington, Sept. 18 Commander Robert Emmet Peary, the Arctic explorer, who is now coming home after his attempt

to reach the pole, will be assigned duty in the United States at once.

Peary has been on leave of absence since May, 1897. Civil engineers are much needed, there being only 21 in the navy, and Peary is to be kept at home on that

Rear Admiral Endicett, chief of the

Rear Admiral Endicott, chief of the bureau of yards and docks, has not determined upon Commander Peary's station, but work will probably have been found for him by the time he reaches Washington.

Sydney, Sept. 18—The Windward arrived here today.

Lieutenant Peary declines to talk at present about his future intentions. Mrs. Peary is slightly indisposed. The party will rest here till tomorrow. Peary and his party were left at Brie Harbor on the theatre the choice was ratified and while the chairman announced that it was unanimous, yet not half of those present joined in the cheers, which were solicited for the his party were left at Eric Harbor on the his party were left at Eric Harbor on the Ellsmere coast August 29, and reached Payes Harbor after many difficulties September 16. Peary was much troubled by sickness of the Esquimatx, six adults and one child dying in two weeks' time. In January a fatal epidemic was prevalent and carried off a large number of the tribe. In the end of February the survivors hean to join Peary. While the candidates were being sent for Mr. Hazen took occasion to throw a few them all with impartiality and pictured what wonders they will work if they ever get as far as Fredericton.

tribe. In the end of February the survivors began to join Peary.

On April 1, Peary started northward over the Polar sea with Henson, four Eskimos and six sledges. Old floes deeply covered with snow and intersected with ridges and lanes of young ice were encountered all the way after leaving the ice front. The same kind of traveling was found by the English expedition of 1896.

After six days journey an open lead and floes in motion were encountered. Two After six days' journey an open lead and floes in motion were encountered. Two natives were sent back. The floes now became smaller and ridges on a grander scale, and open spaces more frequent. Each day's march seemed more tiresome than the last, and they were forced by the character of the ice to fulfu westward. At last, at 84 degrees 17 min. latitude, north of Hecla, the polar pack became impracticable and further efforts to advance were abandoned.

# George V. McInerney and W. Frank Hahheway were then introduced to the meeting and were received with loud ap-plause. Chairman Thorne announced that ELECT OFFICERS,
