A GOOD INTRODUCTION. - J. Kennedy, a merchant in Dixie, about three years ago introduced Hayward's Pectoral Balsam to his customers by trying it in his own family for Cough and Cold. Being pleased with results, he writes as follows: "and it is now the favorite remedy in that neighborhood."

PERSONS of weakly constitutions derive from Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda a degree of vigour obtainable from no other source, and it has proved itself a most efficient protection to those troubled with a hereditary tendency of Consumption. Mr. Bird, Druggist, of Westport, says: "I knew a man whose case was considered hopeless, and by the use of three bottles of this Emulsion his weight was increased twenty pounds."

ADVICE TO MOTHERS. - Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once, it produces natural, quiet sleep by allaying the child from pain, and the little cherub smiles as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, relieves all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

PALE, woe-begone invalids suffering from poverty of the blood, bilious sufferers, and those whose circulation is deranged, should use without delay Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure, the celebrated blood purifier which stimulates digestion, increases the nutritive properties of the blood, and expels impurities from the system.

Why do I limp and whining about your corns, when a 25-cent bottle of Holloway's Corn Cure will remove them?

To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure. AYER'S PILLS are sugar-coated and purely vegetable - a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.
