## Insurance.

## AN IMPORTANT FACT TO EVERY MAN.

A good many are complaining of hard times, dull  
business, shrinkage of goods, depreciation of Real  
Estate and other investments.

If these be true in your case, we suggest the  
expenditure of a comparatively small sum in an arti-  
cle that does not and can not depreciate.

A Reserve Endowment always means the full  
number of dollars expressed on its face. No panics  
or hard times can depreciate it, and when all other  
values are shrinking, this stands sure and steadfast.

We suggest, if you are a business man, that the  
premium on a 10 or \$20,000 Reserve Endowment  
is the best possible use you can make of that amount  
of money.

If you are an experienced agent, contemplating a  
change of contract or territory, take time to look  
into the merits of this popular plan.

If you are out of business and a clear-headed, in-  
telligent man, try your hand at an agency, and  
begin a successful work. The grandeur and dignity  
of the business may be realized when we say that  
*Seventy Millions of Dollars* were paid by the life  
companies to beneficiaries last year alone.

Here is a business offered you involving no  
expense, hazard, or loss, and the productiveness of  
which is only limited by our own ability.

A few of the more salient points of the Reserve  
Endowment are:

1. Every policy, whether on ordinary life rates or  
other, a Cash Endowment to the insurer.

2. The maximum of insurance at the minimum  
of cost.

3. A definite cash surrender value specified in the  
policy.

4. The TERM for which the insurance is to be  
run elected by the insured.

5. Grace in payment of premiums of from one  
to six months: a great accommodation to the  
insurer these hard times.

6. The merits of plain life insurance, endow-  
ment, and investment combined in one contract.

or for any information.
