September 12, 1929.

Henry Kirkwood, Esq.,
Portage la Prairie, Man.

Dear Mr. Kirkwood:

I was indeed pleased this morning to receive a short letter from you. Very seldom indeed do I hear from my old friends through the Portage la Prairie Riding, but am always pleased to see any of them or get word from any of them at any time.

As Mr. Sissons lives in Portage, I always go around and make a call, but have had bad luck in seeing him for some time. Will make it a point to see him next time and telephone you.

Sincerely hope your own crop is at least a fair success this year.

Very best regards to all friends,

Very truly yours,

AM/E.

Arthur Meighen.
