

In the West, from Chicago and points in the Western States passengers are carried over the main line of this great system by way of Port Huron and Toronto, passing through some of the principal cities of the United States and the western part of Ontario.

From Buffalo, trains are run solid over the Lehigh Valley and Grand Trunk, crossing the Grand Trunk's single-track double track steel bridge over Niagara River.

From Toronto fast express trains are run solid to North Bay. From points in the East and South of Buffalo, including the States of New York, Pennsylvania, West Virginia, Maryland, etc., the route is by way of Niagara Falls, thence Grand Trunk Railway.

Passengers for the Temagami region should see that their baggage is checked through to Temagami Station. (See paragraph regarding customs arrangements.) A through sleeping car is operated over the Grand Trunk from Buffalo, Niagara Falls and Toronto to Temagami.

CUSTOMS ARRANGEMENTS

Persons visiting Canada for a limited time for pleasure may bring with them such guns, fishing tackle, tents, camp equipment, cooking utensils, kodaks, bicycles etc., as they may require for their own use, upon reporting same to the customs officer at port of entry, depositing with him a sum of money equal to the duty, subject to a refund of this amount if the articles are exported within six months, or they may be forwarded in bond to any point in Canada where a customs officer is stationed, and where the same regulations as above must be complied with.

This regulation applies to all sportsmen or tourists crossing the international boundary, but is subject to the strict supervision of the game warden to enforce the game laws in the Temagami reserve, firearms with a barrel more than four inches in length are prohibited from being taken in except during the open season. Any guns in the possession of the sportsman on arrival at Temagami are taken charge of by the fire razer or other persons in authority and returned to the owner when going out.

For sportsmen and campers, singly or in parties, hunting or fishing expeditions, one hundred and fifty (150) pounds of baggage and camping outfits will be checked free of charge on each full ticket, and seventy-five (75) pounds on each half ticket, provided it consists of wearing apparel, sportsmen's and campers' outfits, such as tents, small bundles of bedding, camp utensils and provisions in small quantities, packed in proper receptacles, such as boxes with handles or trunks, so that they can be checked, piled and handled as ordinary baggage.

On the return journey, a game or fish catch of fifty (50) pounds' weight, not in conflict with existing laws, may be included in the free "allowance."

"HAUNTS OF FISH AND GAME" deals exhaustively with the fishing and hunting found on the entire system, gives the open season for fish and game, and much other valuable information of interest to the sportsman. An illustrated booklet giving full particulars regarding guides and camping outfits for hunting, fishing or touring in these regions, can be obtained by addressing Algonquin and Temagami Guiding Agency, Dwight, Ontario.

The City of Toronto is the objective point for all traffic for the "High lands of Ontario"—a beautiful city full of interest to the tourist and sightseer. Each year during the latter part of the summer the Toronto Industrial Exhibition, which is considered to be the best annual fair on the continent, is held here and is well worth a visit. In 1909 the Exhibition will be held from August 25th to September 13th.
