

## PREFACE

In presenting to the Public our second edition of THE COUNTY OF WENTWORTH GAZETTEER AND DIRECTORY, we desire to state that the object, which we trust has been attained, is to provide a work which will prove not only useful but interesting, and that every means in our power has been used to render it full, complete and reliable. The Postal addresses of the farmers and other residents of the townships will, it is hoped, prove particularly valuable.

HAMILTON, May, 1883.
