

WHY SHOULD...

# Blackleg Vaccine Improved

BECAUSE — BE USED?

It will prevent blackleg in cattle.  
It is ready for immediate use.  
Every lot is tested by us upon animals.  
No expensive outfit is required.  
Only the syringe and vaccine are necessary.  
Now is the time to vaccinate.  
Supplies are readily obtainable through druggists.

WRITE FOR LITERATURE AND FURTHER INFORMATION.

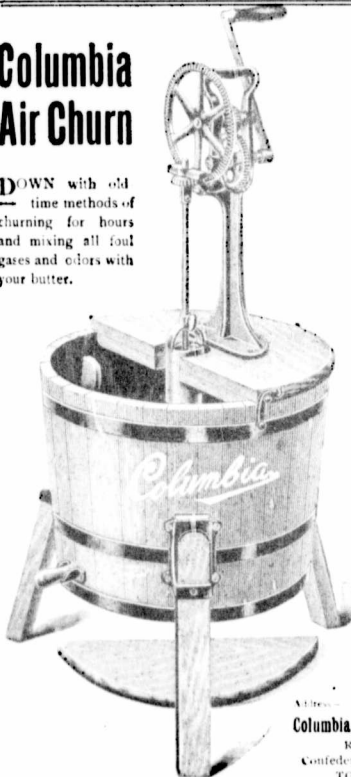

## Parke, Davis & Co.

MONTREAL, QUE. WALKERVILLE, ONT.

We are also in a position to supply **Anthrax (Charbon) Vaccine**

## Columbia Air Churn

DOWN with old time methods of churning for hours and mixing all foul gases and odors with your butter.

It is the only churn on the market that will remove all taint and cowy odors. The "Columbia" will churn at a lower temperature than any churn on earth.
