Coins

344 & 346 SPADINA AVE., TORONTO.

Stamps for advanced collectors at low figures. Stamps and coins bought and sold. 20 different coins, \$1.00, (postage 10c. extra). The perfect Stamp Hinge, perforated or unperforated, (non-poisonous), per 1000, 10c.; per 2000, 15c.; per 5000, 25c.; per 10000, 40c.; post free.

Electrotypers of stamps finely executed with all-metal bodies, 60c. each, post free. Electro types made to order of any stamp in Scott's list at \$2.00 each or \$3.00 per 3 of any kind; also manifests of Stamp Dealers' trade marks, &c.

These Electro types are not like those of other makers, mounted on wood, in which case they last but a few months. Ours are made with solid metal bodies and are guaranteed to last for years. Many of our patrons say that the impressions from our electro types are as good as the genuine stamp. Philatelic printing of all kinds done at low figures. Estimates given.
